### SUFFOLK COUNTY VETERANS SERVICE AGENCY

America would not be the greatest country in the world if it weren't for the brave men and women of our military who have risked life and limb to protect our freedoms and liberty.

As a former, active member of the U.S. Navy, I share a deep appreciation with the people of Long Island for our servicemen and women.

The Suffolk County Veterans Agency links local veterans to the programs and services that they

have earned through their courage and heroism on the local, state and federal levels. Not only do I encourage our veterans to utilize these benefits, but I strongly urge the people of Long Island to reach out to this organization and offer their time, energy and talents to the cause of honoring our veterans.
