The Road to  
**Success**  
in higher education

STARTS HERE

# Assemblywoman Titus is putting New York's students on the *Road to Success*

## Boosting access to college

The state budget **increases funding to child care centers on campuses** so more students have the opportunity to get a college degree.

## Student loan relief

The new **"Get On Your Feet" loan forgiveness program** will pay the first 2 years of monthly payments for new college grads on qualified federal loans.

## Improving our colleges

The state budget includes over \$620 million to **make improvements to NY's college campuses**.

## Increasing aid

This year's state budget increases funding for **opportunity programs that help make college more affordable**.

**Community college base aid funding increased** by \$100 for a total of \$2,597 per full-time student.

\$1.4 million in TAP funding will **help more students with disabilities earn college degrees**.
