STEVE HAWLEY IS FIGHTING TO HELP CUT COSTS BY SPONSORING PROPOSALS THAT WOULD:

- ✓ Eliminate the state sales tax on motor/diesel fuels (A.1690)
- ✓ Create a tax credit for New York-made products (A.2954)
- ✓ Make it easier for disabled veterans to purchase homes (A.1990)
- ✓ Eliminate unnecessary burdens on local businesses (A.6068)
- ✓ Lower property taxes for farms across the state (A.2040)

"In Western New York, big government policies are driving up the cost of everyday items like milk, eggs, and bread. New Yorkers should not be forced to choose between paying their utility bills and putting food on the table. People are rapidly leaving our state because it is simply not an affordable place to work and raise a family. As your voice in Albany, I will always support policies to bring prices down and make our community an affordable place to live once again."

Assemblyman Hawley represents the 139th District, which consists of Genesee, Orleans and parts of Monroe and Erie Counties.
