Complete this card and keep it on your refrigerator for referral in case of an emergency.

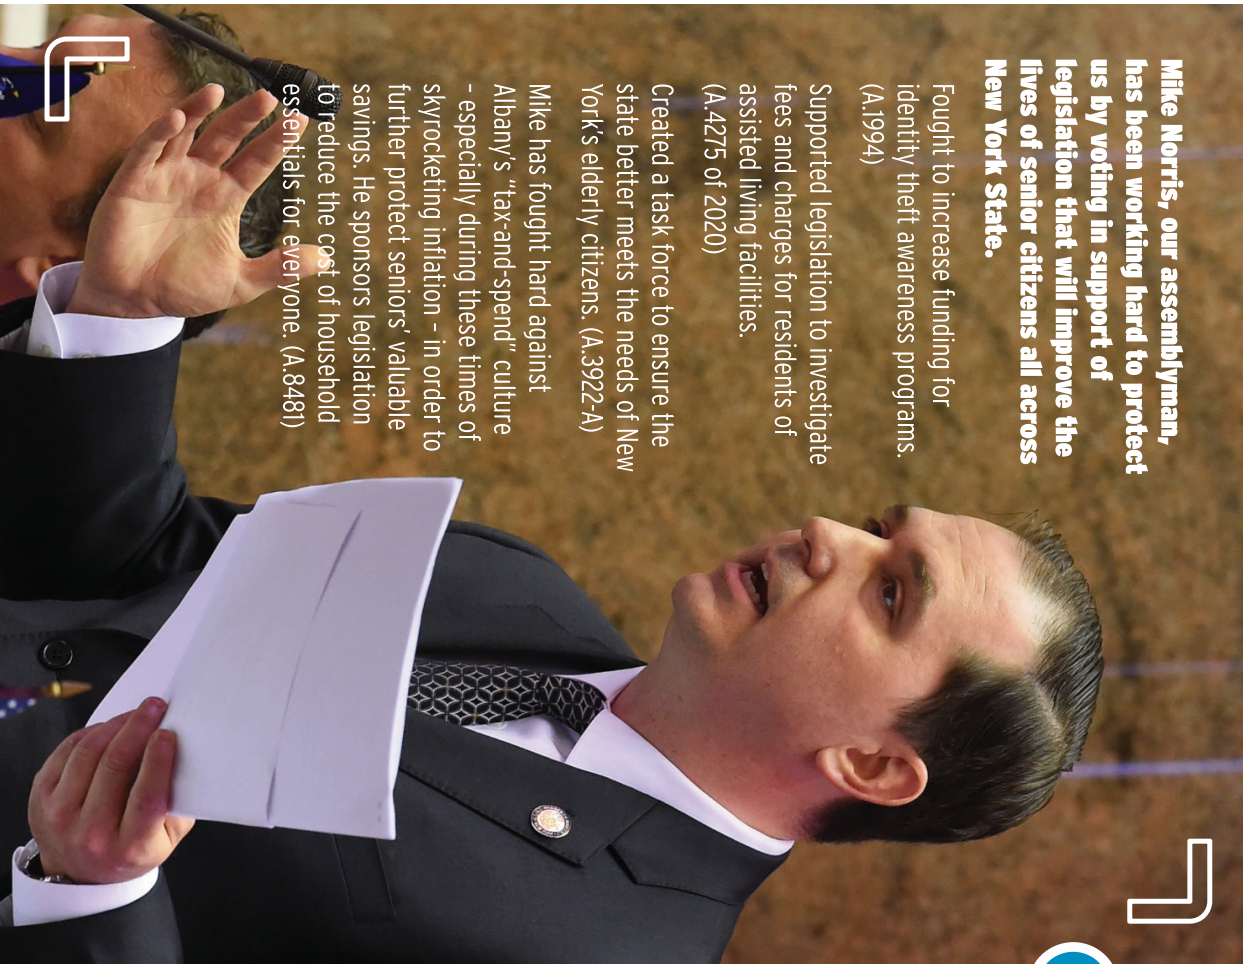

Mike Norris, our assemblyman, has been working hard to protect us by voting in support of legislation that will improve the lives of senior citizens all across New York State.

Fought to increase funding for identity theft awareness programs. (A.1994)

Supported legislation to investigate fees and charges for residents of assisted living facilities. (A.4275 of 2020)

Created a task force to ensure the state better meets the needs of New York's elderly citizens. (A.3922-A)

Mike has fought hard against Albany's "tax-and-spend" culture - especially during these times of skyrocketing inflation - in order to further protect seniors' valuable savings. He sponsors legislation to reduce the cost of household essentials for everyone. (A.8481)
