Article 15-A of the Executive Law, "participation by minority group members and women with respect to state contracts", expires on December 31, 2018. This statute provides the framework for the MWBE certification and procurement program, and establishes targeted goals for sourcing of services and commodities by certified MWBE businesses. The Division of Minority and Women's Business Development within the Department of Economic Development is responsible for, among other things, establishing a statewide certification program, encouraging and assisting state agencies to increase MWBE participation, and commissioning a statewide disparity study regarding the participation of MWBEs on state contracts. In addition, the State administers several programs through its various agencies to provide MWBEs with technical, legal, and financial assistance.

The State retained a firm to conduct a disparity study to determine if MWBEs have had equal access to contracting opportunities with the State. The results of this study have now been published. A new component of the 2017 Disparity Study was the gathering and analysis of demographic workforce utilization data to help determine the effectiveness of the various equal employment opportunity provisions and whether changes could be made to statutes authorizing the MWBE program. The Committees would like to obtain input from various stakeholders on the 2017 MWBE Disparity Study, the design, implementation, and utilization of the MWBE program, generally, including its level of State funding, how the MWBE program interacts with project labor agreements across the State, and how to develop a more well-established minority and women's workforce.

Oral testimony will be limited to **TEN (10)** minutes' duration. In preparing the order of witnesses, the Committees will attempt to accommodate individual requests to speak at particular times in view of special circumstances. These requests should be made on the attached reply form or communicated to Committee staff as early as possible.

**Twenty (20)** copies of any prepared testimony should be submitted at the hearing registration desk. The Committees would appreciate advance receipt of prepared statements.

In order to meet the needs of those who may have a disability, the Assembly, in accordance with its policy of non-discrimination on the basis of disability, as well as the 1990 Americans with Disabilities Act (ADA), has made its facilities and services available to all individuals with disabilities. For individuals with disabilities, accommodations will be provided, upon reasonable request, to afford such individuals access and admission to Assembly facilities and activities.
