33 (II) School districts may apply to the commissioner for a hardship
34 waiver that would allow a district to convert more than thirty percent
35 of three-year-old students served in full-day programs in the current
36 year to three-year-old students served in half-day programs in the

38 PART G

39 Section 1. Section 97-v of the state finance law, as added by chapter
40 851 of the laws of 1983 and subdivision 3 as amended by chapter 83 of
41 the laws of 1995, is amended to read as follows:

42 § 97-v. New York state [musical instrument revolving] music grant
43 fund. 1. There is hereby established in the custody of the state comp-
44 troller and the commissioner of taxation and finance, a special fund to
45 be known as the "New York state [musical instrument revolving] music
46 grant fund".

47 2. The fund shall consist of all monies appropriated for its purpose,
48 all monies transferred to such fund pursuant to law and all monies
49 required by the provisions of this section or any other law to be paid
50 into or credited to this fund, including all monies received by the fund
51 or donated to it. The total of monies deposited as a result of appropri-
52 ations from state funds into this fund shall not exceed the sum of five
53 hundred thousand dollars. Monies in the fund shall be kept separate and

1 shall not be commingled with any other monies otherwise appropriated or
2 received except as hereby provided.

3 3. Monies of the fund, when allocated, shall be available to the New
4 York state council on the arts for the purpose of providing assistance,
5 excluding administrative costs, for [the loan, lease and purchase of
6 musical instruments and other related property and equipment, as herein
7 provided, by] grants to not-for-profit symphony orchestras and/or other
8 not-for-profit musical entities incorporated in the state and organized
9 for the purpose of the presentation of performing arts for the benefit
10 of the public and which have been approved pursuant to guidelines estab-
11 lished by the council. Such monies shall also be available for adminis-
12 trative costs of the council pursuant to approval by the director of the
13 budget. [Notwithstanding any other inconsistent provisions of this chap-
14 ter, should the council determine that there is a compelling need for
15 the loan, lease or purchase of property or equipment other than musical
16 instruments by not-for-profit symphony orchestras and/or other not-for-
17 profit musical entities incorporated in the state and organized for the
18 purpose of the presentation of performing arts for the benefit of the
19 public, and upon approval of the director of the budget, the council may
20 assist such organization in acquiring such equipment in accordance with
21 guidelines established by the council. The council shall contract with
22 one or more not-for-profit entities which shall distribute such monies,
23 however, in no case shall monies of the fund be distributed nor shall a
24 contract to distribute such monies be approved unless the fund shall
25 have sufficient monies to effectuate all such approved distributions and
26 contracts.

27 Purchases, leases and loans of musical instruments and other equipment
28 shall not be approved or effected if such purchases, leases or loans are
29 eligible for financing from any other state assistance program.]

30 4. [The state council on the arts shall establish guidelines necessary
31 to administer the fund. Guidelines shall include, but not be limited to:
32 qualifications and conditions for assistance, which may require public
33 service performances, terms of lease or installment sale payments and
34 finance charges on installment sales at rates of interest which,
35 notwithstanding any other provision of law, shall not be less than three
36 per cent per annum nor more than ten per cent per annum, provisions for
37 insurance of the instrument or other equipment, provisions for necessary
38 security agreement arrangements, and any other terms and conditions the
39 council may require as necessary to properly effectuate the provisions
40 of this section.

41 5. The not-for-profit entity of entities with whom the state council
42 on the arts has contracted pursuant to subdivision three of this section
43 shall enter into contractual arrangements with applicants approved by
44 the council. All contracts must be approved by the state council on the
45 arts and the comptroller prior to the distribution of any monies there-
46 under. Such contracts shall assure that the not-for-profit entity or
47 entities retain title to the instrument or equipment until the
48 provisions and intent of this section are satisfied.

49 6. Notwithstanding any other provisions of law, should a default in
50 payment of monies for the purchase or lease of an instrument or other
51 equipment occur, the council shall so notify the comptroller and the
52 attorney general who shall take such steps as may be necessary. The
53 not-for-profit entity or entities, after such notification is made,
54 shall take steps to effect repossession regardless of whether any note,
55 memorandum, instrument or other writing has been recorded or regardless
56 of whether any other person has notice of such possessory rights to the

1 instrument or equipment. Any contract between the not-for-profit agency
2 or agencies and a not-for-profit symphony orchestra or other musical
3 entity authorized by this article, shall assure the right and provide
4 guarantees for such repossession. Subsequent to the taking of possession
5 of the instrument or equipment, the comptroller or not-for-profit agency
6 or agencies may offer the same for sale at public auction to the highest
7 bidder pursuant to guidelines established by the comptroller.

8 7. The comptroller is authorized to deduct the difference between the
9 purchaser's or lessee's outstanding obligation at the time of the
10 auction provided for in subdivision five of this section, and the amount
11 realized from that auction, after deductions for all necessary and prop-
12 er costs of the auction are made, from any other grant or other assist-
13 ance approved by the council on the arts for that purchaser. The differ-
14 ence deducted by the comptroller and the net amount realized from the
15 auction shall be deposited in the New York state musical instrument
16 revolving fund.

17 8.] Nothing contained herein shall prevent the council from receiving
18 grants, gifts or bequests for the purposes of the fund as defined in
19 this section and depositing them into the fund according to law.

20 [9. The state council on the arts shall provide by September first of
21 each year, to the governor, the temporary president of the senate, the
22 speaker of the assembly, the chairman of the senate finance committee
23 and the chairman of the assembly ways and means committee, a report
24 containing guidelines and amendments established by the state council on
25 the arts and a complete financial statement including, but not limited
26 to, monies allocated, collected, transferred or otherwise paid or cred-
27 ited to the fund. A projected schedule of disbursements, receipts and
28 needs of the fund for the next fiscal year shall be included in each
29 report. In addition, any amendments to the guidelines shall be provided
30 to the above listed individuals within thirty days of their establish-
31 ment by the state council on the arts.

32 10.] 5. No monies shall be payable from this fund, except on the audit
33 and warrant of the comptroller on vouchers certified and submitted by
34 the [chairman of the] state council on the arts.

35 § 2. This act shall take effect immediately.

8 homes, school-age child care programs and child day care centers to
9 receive pre-service and annual training, as applicable. [Provided howev-
10 er that such providers shall be required to receive thirty hours of
11 training every two years; provided, however, any individual or provider
12 who is already in compliance with this subdivision, prior to the effec-
13 tive date of the chapter of the laws of two thousand nineteen that
14 amended this subdivision, shall only be required to complete any addi-
15 tional federal training requirements which they have not already
16 completed in order to be deemed in compliance with this subdivision.
17 Fifteen hours of such training must be received within the first six
18 months of the initial licensure, registration or employment. Such train-

20 homes, programs or centers who has the potential for regular and
21 substantial contact with children. The thirty hours of training
22 required during the first biennial cycle after initial licensure or
23 registration shall include training received while an application for
24 licensure or registration pursuant to section three hundred ninety of
25 this title is pending.] The office of children and family services may
26 provide this training through purchase of services.

27 (c) For the [thirty hours of biennial] training required after the
28 initial period of licensure or registration, each provider who can

30 topics [he or she] such provider needs further study, based on the
31 provider's experience and the needs of the children in the provider's
32 care, subject to approval by the office of children and family services.

33 § 4. This act shall take effect one year after it shall have become a

35 PART I

36 Section 1. Subdivision 6 of section 374 of the social services law, as
37 amended by chapter 305 of the laws of 2008, is amended to read as
38 follows:

39 6. (a) An authorized agency, as defined in paragraphs (a) and (c) of
40 subdivision ten of section three hundred seventy-one of this title, may
41 charge or accept a fee or other compensation to or from a person or
42 persons with whom it has placed out a child, for the reasonable and
43 necessary expenses of such placement; and no agency, association, corpo-
44 ration, institution, society or organization, except such an authorized
45 agency, and no person may or shall request, accept or receive any
46 compensation or thing of value, directly or indirectly, in connection
47 with the placing out or adoption of a child or for assisting a birth
48 parent, relative or guardian of a child in arranging for the placement
49 of the child for the purpose of adoption; and no person may or shall pay
50 or give to any person or to any agency, association, corporation, insti-
51 tution, society or organization, except such an authorized agency, any
52 compensation or thing of value in connection with the placing out or
53 adoption of a child or for assisting a birth parent, relative or guardi-
54 an of a child in arranging for the placement of the child for the

1 purpose of adoption. The prohibition set forth in this section applies
2 to any adoptive placement activity involving a child born in New York
3 state or brought into this state or involving a New York resident seek-

5 (b) This subdivision shall not be construed to prevent the payment of

8 by a person with whom a child has been placed out of reasonable and
9 actual medical fees or hospital charges for services rendered in
10 connection with the birth of such child or of other necessary expenses
11 incurred by the birth mother in connection with or as a result of her
12 pregnancy or the birth of the child, or of reasonable and actual nurs-
13 ing, medical or hospital fees for the care of such child, if such

15 rendered the services or to the birth mother of the child, or to prevent
16 the receipt of such payment by such physician, nurse, hospital or birth
17 mother. This subdivision shall not be construed to prevent the payment
18 by an adoptive parent, as defined in section one hundred nine of the
19 domestic relations law, of the birth mother's reasonable and actual
20 expenses for housing, maternity clothing, clothing for the child and
21 transportation for a reasonable period not to exceed [sixty] one hundred

23 after the birth or [thirty] forty-five days after the parental consent

25 tional] circumstances exist which require the payment of the birth moth-

27 subdivision shall not be construed to prevent the payment by an adoptive
28 parent, as defined in section one hundred nine of the domestic relations
29 law, of reasonable and actual legal fees charged for consultation and
30 legal advice, preparation of papers and representation and other legal
31 services rendered in connection with an adoption proceeding or of neces-

41 the authorized agency is directly or indirectly involved in the placing
42 out of such child for adoption.

43 § 2. This act shall take effect on the thirtieth day after it shall
44 have become a law. Effective immediately, the addition, amendment and/or

PART J

49 Section 1. Subdivision 6 of section 3502 of the public health law, as
50 added by chapter 313 of the laws of 2018, subparagraph (i) of paragraph
51 (a) as amended by chapter 486 of the laws of 2022, and subparagraphs
52 (ii) and (iii) of paragraph (a), paragraph (b), subparagraphs (i), (ii),
53 (iii) and (v) of paragraph (c), paragraph (e), and the opening paragraph
54 and subparagraphs (i) and (ii) of paragraph (f) as amended by section 1

1 of part LL of chapter 56 of the laws of 2023, is amended to read as
2 follows:

3 6. (a) (i) Notwithstanding the provisions of this section or any other
4 provision of law, rule or regulation to the contrary, licensed practi-
5 tioners, persons licensed under this article and unlicensed personnel
6 employed at a local correctional facility or secure or specialized
7 secure detention facility may, in a manner permitted by the regulations
8 promulgated pursuant to this subdivision, utilize body imaging scanning
9 equipment that applies ionizing radiation to humans for purposes of
10 screening incarcerated individuals committed to such local correctional
11 facility, or individuals detained in or committed to, visiting or
12 employed in a secure or specialized secure detention facility, in
13 connection with the implementation of such facility's security program.

14 (ii) Notwithstanding the provisions of this section or any other
15 provision of law, rule or regulation to the contrary, licensed practi-
16 tioners, persons licensed under this article and unlicensed personnel
17 employed at a state correctional facility or facility for youth placed
18 with or committed to the office of children and family services may, in
19 a manner permitted by the regulations promulgated pursuant to this
20 subdivision, utilize body imaging scanning equipment that applies ioniz-
21 ing radiation to humans for purposes of screening individuals detained
22 in, committed to, visiting, or employed in such facility, in connection
23 with the implementation of such facility's security program.

24 (iii) The utilization of such body imaging scanning equipment shall be
25 in accordance with regulations promulgated by the department, or for
26 local correctional facilities in cities having a population of two

32 when body imaging scanning equipment will be used to screen visitors and
33 [incarcerated] individuals detained in or committed to state correction-
34 al facilities, secure or specialized secure detention facilities, or
35 facilities for youth placed with or committed to the office of children
36 and family services. Such regulations shall include provisions estab-
37 lishing that alternative methods of screening may be used to accommodate
38 individuals who decline or are unable to be screened by body imaging
39 scanning equipment for medical reasons and that alternative methods of
40 screening may be used to accommodate individuals who decline to be
41 screened for other reasons, unless security considerations warrant
42 otherwise. Such regulations shall also ensure that no person shall be
43 subjected to any form of harassment, intimidation, or disciplinary
44 action for choosing to be searched by an alternative method of screening
45 in lieu of body imaging scanning.

46 The department of corrections and community supervision and the office

56 are unable to be screened by body imaging scanning equipment for medical

1 or other reasons. Such regulations shall also ensure that no person
2 shall be subjected to any form of harassment, intimidation, or discipli-
3 nary action for choosing to be searched by an alternative method of
4 screening in lieu of body imaging scanning. An employee's request to be
5 searched by an alternative method of screening in lieu of body imaging
6 scanning shall not, in itself, be grounds for disciplinary action
7 against such employee.

8 (b) Prior to establishing, maintaining or operating any body imaging
9 scanning equipment in a state or local correctional facility, [any body
10 imaging scanning equipment] secure or specialized secure detention
11 facility, or facility for youth placed with or committed to the office

33 scanning at any time. Procedures for identifying pregnant [women]
34 persons shall be set forth in the regulations;

10 children and family services" shall mean a facility operated pursuant to
11 section five hundred four of the executive law.

13 equipment in a local correctional, or secure or specialized secure
14 detention facility under its jurisdiction shall submit an annual report
15 to the department, the speaker of the assembly, and the temporary presi-
16 dent of the senate. If body imaging scanning equipment is utilized in

20 children and family services, as applicable, shall submit an annual

28 eligible building or entity owning the eligible building or sponsoring
29 the eligible construction has been found, by judgment or determination
30 of a court or agency, including a non-governmental agency having appro-
31 prate legal jurisdiction under the penal law, any state or local law
32 regulating rents, or any state or local law relating to harassment of
33 tenants or unlawful eviction, to have, within the five years prior to
34 the completion date, harassed or unlawfully evicted tenants, until and
35 unless the finding is reversed on appeal.

36 (C) Notwithstanding the provisions of any general, special, or local
37 law to the contrary, the corporation counsel or other legal represen-
38 tative of a city having a population of one million or more or the
39 district attorney of any county located in a city with a population of
40 one million or more, may institute an action or proceeding in any court
41 of competent jurisdiction that may be appropriate or necessary to deter-
42 mine whether any owner of record or owner of a substantial interest in
43 the eligible building or entity owning the eligible building or sponsor-
44 ing the eligible construction has harassed or unlawfully evicted tenants
45 as described in this subparagraph.

46 (7) Notwithstanding the provisions of any general, special, or local
47 law to the contrary, the local housing agency may require by rules,
48 regulations, and guidance documents that an application for a certif-
49 icate of eligibility and reasonable cost be filed electronically.

50 (8) The local housing agency may require an applicant to demonstrate
51 compliance with the housing maintenance code. If hazardous or immediate-
52 ly hazardous violations exist, the local housing agency may require the
53 applicant to remediate such violations and may impose a penalty in an
54 amount set forth in rules, regulations, and guidance documents if the
55 applicant fails to clear the violation.

1 (e) Additional requirements for an eligible rental building other than
2 one owned and operated by a limited-profit housing company. In addition
3 to all other conditions of eligibility for rehabilitation program bene-
4 fits set forth in this subdivision, an eligible rental building, other
5 than one owned and operated by a limited-profit housing company, shall
6 also comply with all provisions of this paragraph. Notwithstanding the
7 foregoing, an eligible rental building that is the recipient of substan-
8 tial governmental assistance shall not be required to comply with the
9 provisions of subparagraph two of this paragraph.

10 (1) Notwithstanding any provision of rent regulation to the contrary,
11 any market rental unit within such eligible rental building subject to
12 rent regulation as of the filing date of the application for a certif-
13 icate of eligibility and reasonable cost and any affordable rental unit
14 within such eligible rental building shall be subject to rent regulation
15 until such unit first becomes vacant after the expiration of the
16 restriction period at which time such unit, unless it would be subject
17 to rent regulation for reasons other than the provisions of this subdivi-
18 vision, shall be deregulated, provided, however, that during the
19 restriction period, no exemption or exclusion from any requirement of
20 rent regulation shall apply to such dwelling units.

21 (2) Additional requirements for an eligible rental building that is
22 not a recipient of substantial governmental assistance.

23 (A) Not less than fifty percent of the dwelling units in such eligible
24 rental building shall be designated as affordable rental units.

25 (B) The owner of such eligible rental building shall ensure that no
26 affordable rental unit is held off the market for a period that is long-
27 er than reasonably necessary.

28 (C) The owner of such eligible rental building shall waive the
29 collection of any major capital improvement rent increase granted by the
30 New York state division of housing and community renewal pursuant to
31 rent regulation that is attributable to eligible construction for which
32 such eligible rental building receives rehabilitation program benefits,
33 and shall file a declaration with the New York state division of housing
34 and community renewal providing such waiver. The local housing agency
35 shall not require an owner to file such waiver until the application for
36 rehabilitation program benefits has been approved.

37 (D) An affordable rental unit shall not be rented on a temporary,
38 transient or short-term basis. Every lease and renewal thereof for an
39 affordable rental unit shall be for a term of one or two years, at the
40 option of the tenant, and shall include a notice in at least twelve-
41 point type informing such tenant of their rights pursuant to this subdivi-
42 vision, including an explanation of the restrictions on rent increases
43 that may be imposed on such affordable rental unit.

44 (E) The local housing agency may establish by rules, regulations, and
45 guidance documents such requirements as the local housing agency deems
46 necessary or appropriate for designating affordable rental units,
47 including, but not limited to, designating the unit mix and distribution
48 requirements of such affordable rental units in an eligible building.

49 (3) The owner of such eligible rental building shall not engage in or
50 cause any harassment of the tenants of such eligible rental building or
51 unlawfully evict any such tenants during the restriction period.

52 (4) No dwelling units within such eligible rental building shall be
53 converted to cooperative or condominium ownership during the restriction
54 period.

1 (5) Any non-compliance of an eligible rental building with the
2 provisions of this paragraph shall permit the local housing agency to
3 take the following action:

4 (A) extend the restriction period;

5 (B) increase the number of affordable rental units in such eligible
6 rental building;

7 (C) impose a penalty of not more than the product of one thousand
8 dollars per instance of non-compliance and the number of dwelling units
9 contained in such eligible rental building; and

10 (D) terminate or revoke any rehabilitation program benefits in accord-
11 ance with paragraph (p) of this subdivision.

12 (f) Compliance with applicable law. Rehabilitation program benefits
13 shall not be allowed for any eligible building unless and until such
14 eligible building complies with all applicable provisions of law. Reha-
15 bilitation program benefits shall not be allowed if the local housing
16 agency determines that eligible construction was not carried out in
17 conformity with all applicable provisions of law.

18 (g) Tenant notification. Notwithstanding any provision of this section
19 to the contrary, no rehabilitation program benefits shall be granted for
20 any eligible construction with a commencement date on or after the
21 effective date of this subdivision unless the applicant provides to
22 tenants, if any, of such eligible building not more than one hundred
23 eighty days nor less than thirty days prior to the commencement date,
24 notice of the following information:

25 (1) The proposed work;

26 (2) The identity and contact information of the eligible building's
27 representative; and

28 (3) The tenants' rights under applicable law with respect to such
29 work; provided that, in the case of a loan program supervised by the
30 local housing agency, such agency may provide the required notice to the
31 tenants.

32 (h) Notice of intent. An applicant for rehabilitation program benefits
33 for any eligible construction with a commencement date on or after the
34 effective date of this subdivision shall file with the local housing
35 agency a form supplied by such agency which:

36 (1) States an intention to file for rehabilitation program benefits;

37 (2) Describes the work for which rehabilitation program benefits will
38 be claimed;

39 (3) Estimates the cost of such work which will be eligible for reha-
40 bilitation program benefits; and

41 (4) Provides proof of the notice required under paragraph (g) of this
42 subdivision. Such form shall be filed prior to the commencement date. If
43 the scope of such work or the estimated cost thereof changes materially,
44 such applicant shall file a revised notice of intent. An applicant who
45 fails to comply with the requirements of this subdivision shall be
46 subject to a penalty not to exceed one hundred percent of the filing fee
47 otherwise payable pursuant to subparagraph three of paragraph (d) of
48 this subdivision.

49 (i) Implementation of rehabilitation program benefits. Upon issuance
50 of a certificate of eligibility and reasonable cost and payment of
51 outstanding fees, the local housing agency shall be authorized to trans-
52 mit such certificate of eligibility and reasonable cost to the local
53 agency responsible for real property tax assessment. Upon receipt of a
54 certificate of eligibility and reasonable cost, the local agency respon-
55 sible for real property tax assessment shall certify the amount of taxes
56 to be abated pursuant to paragraph (b) of this subdivision and pursuant

1 to such certificate of eligibility and reasonable cost provided by the
2 local housing agency.

3 (j) Outstanding taxes and charges. Rehabilitation program benefits
4 shall not be allowed for an eligible building in either of the following
5 cases:

6 (1) there are outstanding real estate taxes or water and sewer charges
7 or payments in lieu of taxes that are due and owing as of the last day
8 of the tax period preceding the date of the receipt of the certificate
9 of eligibility and reasonable cost by the local agency responsible for
10 real property tax assessment; or

11 (2) real estate taxes or water and sewer charges due at any time
12 during the authorized term of such benefits remain unpaid for one year
13 after the same are due and payable.

14 (k) Additional limitations on eligibility. (1) Rehabilitation program
15 benefits shall not be allowed for any eligible building receiving tax
16 exemption or abatement concurrently for rehabilitation or new
17 construction under any other provision of state or local law or ordi-
18 nance, including any other subdivision of this section, with the excep-
19 tion of any eligible construction to an eligible building receiving a
20 tax exemption or abatement under the provisions of the private housing
21 finance law;

22 (2) Rehabilitation program benefits shall not be allowed for any item
23 of eligible construction in an eligible building if such eligible build-
24 ing is receiving tax exemption or abatement for the same or a similar
25 item of eligible construction as of the December thirty-first preceding
26 the date of application for a certificate of eligibility and reasonable
27 cost for such rehabilitation program benefits;

28 (3) Where the eligible construction includes or benefits a portion of
29 an eligible building that is not occupied for dwelling purposes, the
30 assessed valuation of such eligible building and the cost of the eligi-
31 ble construction shall be apportioned so that rehabilitation program
32 benefits shall not be provided for eligible construction made for other
33 than dwelling purposes; and

34 (4) Rehabilitation program benefits shall not be applied to abate the
35 taxes upon the land portion of real property, which shall continue to be
36 taxed based upon the assessed valuation of the land and the applicable
37 tax rate at the time such taxes are levied.

38 (l) Re-inspection penalty. If the local housing agency cannot verify
39 the eligible construction claimed by an applicant upon the first
40 inspection by the local housing agency of the eligible building, such
41 applicant shall be required to pay ten times the actual cost of any
42 additional inspection needed to verify such eligible construction.

43 (m) Strict liability for inaccurate applications. If the local housing
44 agency determines that an application for a certificate of eligibility
45 and reasonable cost contains a material misstatement of fact or omission
46 of fact, the local housing agency may reject such application and bar
47 the submission of any other application pursuant to this subdivision
48 with respect to such eligible building for a period not to exceed three
49 years. An applicant shall not be relieved from liability under this
50 paragraph because it submitted its application under a mistaken belief
51 of fact. Furthermore, any person or entity that files more than six
52 applications containing such a material misstatement of fact or omission
53 of fact within any twelve-month period shall be barred from submitting
54 any new application for rehabilitation program benefits on behalf of any
55 eligible building for a period not to exceed five years.

1 (n) False statements. Any person who shall knowingly and willfully
2 make any false statement or omission as to any material matter in any
3 application for a certificate of eligibility and reasonable cost shall
4 be guilty of an offense punishable by a fine of not more than five
5 hundred dollars, or imprisonment for not more than ninety days, or both.

6 (o) Investigatory authority. The local housing agency may require such
7 certifications and consents necessary to access records, including other
8 tax records, as may be deemed appropriate to enforce the eligibility
9 requirements of this subdivision. For purposes of determining and certi-
10 fying eligibility for rehabilitation program benefits and the reasonable
11 cost of any eligible construction, the local housing agency shall be
12 authorized to:

13 (1) administer oaths to and take the testimony of any person, includ-
14 ing, but not limited to, the owner of such eligible building;

15 (2) issue subpoenas requiring the attendance of such persons and the
16 production of any bills, books, papers or other documents as it may deem
17 necessary;

18 (3) make preliminary estimates of the maximum reasonable cost of such
19 eligible construction;

20 (4) establish maximum allowable costs of specified units, fixtures or
21 work in such eligible construction;

22 (5) require the submission of plans and specifications of such eligi-
23 ble construction before the commencement thereof;

24 (6) require physical access to inspect the eligible building; and

25 (7) on an annual basis, require the submission of leases for any
26 dwelling unit in a building granted a certificate of eligibility and
27 reasonable cost.

28 (p) Termination or revocation. Failure to comply with the provisions
29 of this subdivision, any rules, regulations, and guidance documents
30 promulgated thereunder, or any mutual company regulatory agreement or
31 mutual redevelopment company regulatory agreement entered into there-
32 under, may result in termination or revocation of any rehabilitation
33 program benefits retroactive to the commencement thereof. Such termi-
34 nation or revocation shall not exempt such eligible building from
35 continued compliance with the requirements of this subdivision, such
36 rules, regulations, and guidance documents, and such mutual company
37 regulatory agreement or mutual redevelopment company regulatory agree-
38 ment.

39 (q) Criminal liability for unauthorized uses. In the event that any
40 recipient of rehabilitation program benefits uses any dwelling unit in
41 such eligible building in violation of the requirements of any rules and
42 regulations promulgated pursuant to this subdivision, such recipient
43 shall be guilty of an unclassified misdemeanor punishable by a fine in
44 an amount equivalent to double the value of the gain of such recipient
45 from such unlawful use or imprisonment for not more than ninety days, or
46 both.

47 (r) Private right of action. Any prospective, present, or former
48 tenant of an eligible rental building may sue to enforce the require-
49 ments and prohibitions of this subdivision, or any rules and regulations
50 promulgated thereunder, in the supreme court of New York. Any such indi-
51 vidual harmed by reason of a violation of such requirements and prohibi-
52 tions may sue therefor in the supreme court of New York on behalf of
53 themselves, and shall recover threefold the damages sustained and the
54 cost of the suit, including a reasonable attorney's fee. The local hous-
55 ing agency may use any court decision under this paragraph that is
56 adverse to the owner of an eligible building as the basis for further

1 enforcement action. Notwithstanding any other provision of law, an
2 action by a tenant of an eligible rental building under this paragraph
3 shall be commenced within six years from the date of the latest
4 violation.

5 (s) Appointment of receiver. In addition to the remedies for non-com-
6 pliance provided for in subparagraph five of paragraph (e) of this
7 subdivision, the local housing agency may make application for the
8 appointment of a receiver in accordance with the procedures contained in
9 applicable rules, regulations, and guidance documents of the local hous-
10 ing agency. Any receiver appointed pursuant to this paragraph shall be
11 authorized, in addition to any other powers conferred by law, to effect
12 compliance with the provisions of this subdivision and rules, regu-
13 lations, and guidance documents of the local housing agency. Any expend-
14 itures incurred by the receiver to effect such compliance shall consti-
15 tute a debt of the owner and a lien upon the property, and upon the
16 rents and income thereof, in accordance with the procedures contained in
17 such rules, regulations, and guidance documents. The local housing agen-
18 cy in its discretion may provide funds to be expended by the receiver,
19 and such funds shall constitute a debt recoverable from the owner in
20 accordance with applicable local laws or ordinances.

21 (t) Reporting. No later than two years after the effective date of
22 this subdivision, and annually thereafter, the local housing agency, in
23 consultation with the department of finance, shall submit to the mayor
24 and the speaker of the council and post on its website a report on the
25 actions by the local housing agency in the preceding fiscal year related
26 to rehabilitation program benefits. Such report shall include, but not
27 be limited to:

28 (1) The total amount of the rehabilitation program benefits approved
29 for each eligible building, the number of eligible buildings in each
30 community district, neighborhood tabulation area, council district, New
31 York state assembly district, and New York state senate district, the
32 building classification, in accordance with section three hundred two of
33 the New York city building code, of each such eligible building, the
34 number of dwelling units in each such eligible building, and the number
35 of qualifying rental units in each such eligible building; and

36 (2) The number of eligible buildings whose rehabilitation program
37 benefits were terminated or revoked and the number of eligible buildings
38 against which actions were taken, pursuant to clauses (A), (B) and (C)
39 of subparagraph five of paragraph (e) of this subdivision, to address
40 noncompliance with the provisions of such subdivision, and the street
41 address of each such eligible building.

42 (u) Updates to the certified reasonable cost schedule. When updating
43 the certified reasonable cost schedule, the local housing agency shall
44 consider the factors such agency deems relevant, such as the require-
45 ments imposed on eligible buildings by local law, including, but not
46 limited to, articles three hundred two, three hundred twenty and three
47 hundred twenty-one of chapter three of title twenty-eight of the admin-
48 istrative code of the city of New York, and the effects of inflation on
49 such costs since the prior date the certified reasonable cost schedule
50 was updated. The local housing agency shall publish the certified
51 reasonable cost schedule on its website.

52 § 2. This act shall take effect immediately.

1 Section 1. The penal law is amended by adding a new section 241.07 to
2 read as follows:

3 § 241.07 Aggravated harassment of a rent regulated tenant.

4 An owner is guilty of aggravated harassment of a rent regulated tenant
5 when:

6 1. With intent to induce two or more rent regulated tenants occupying
7 different housing accommodations in two or more residential buildings to
8 vacate such housing accommodations, such owner intentionally engages in
9 a systematic ongoing course of conduct that:

10 (a) impairs the habitability of such housing accommodations; or

11 (b) creates or maintains a condition which endangers the safety or
12 health of one or more of the dwellings' rent regulated tenants; or

13 (c) is reasonably likely to interfere with or disturb, and does inter-
14 fere with or disturb, the comfort, repose, peace or quiet of one or more
15 of such rent regulated tenants in their use and occupancy of such hous-
16 ing accommodation including, but not limited to, the interruption or
17 discontinuance of essential services.

18 2. Such owner commits the crime of harassment of a rent regulated
19 tenant in the first degree as defined in section 241.05 of this article
20 and has previously been convicted within the preceding five years of
21 such crime.

22 The good faith commencement and pursuit of a lawful eviction action by
23 an owner against a rent regulated tenant in a court of competent juris-
24 isdiction shall not, by itself, constitute a "systematic ongoing course of
25 conduct" in violation of paragraph (c) of subdivision one of this
26 section.

27 Aggravated harassment of a rent regulated tenant is a class D felony.

28 § 2. This act shall take effect on the ninetieth day after it shall
29 have become a law.

30 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-
31 sion, section or part of this act shall be adjudged by any court of
32 competent jurisdiction to be invalid, such judgment shall not affect,
33 impair, or invalidate the remainder thereof, but shall be confined in
34 its operation to the clause, sentence, paragraph, subdivision, section
35 or part thereof directly involved in the controversy in which such judg-
36 ment shall have been rendered. It is hereby declared to be the intent of
37 the legislature that this act would have been enacted even if such
38 invalid provisions had not been included herein.

39 § 3. This act shall take effect immediately provided, however, that
40 the applicable effective date of Parts A through P of this act shall be
41 as specifically set forth in the last section of such Parts.
