1 § 2. Section 1180 of the tax law, as added by section 1 of part UU of
2 chapter 59 of the laws of 2019, is amended to read as follows:

3 § 1180. Definitions. For the purposes of the taxes imposed by this
4 article, the following [terms shall mean] definitions shall apply:

5 (a) "Vapor product" means any noncombustible liquid or gel, regardless
6 of the presence of nicotine therein, that is manufactured [in to] into a
7 finished product for use in an electronic cigarette, electronic cigar,
8 electronic cigarillo, electronic pipe, vaping pen, hookah pen or other
9 similar device. "Vapor product" shall not include any product approved
10 by the United States food and drug administration as a drug or medical
11 device, or manufactured and dispensed pursuant to title five-A of arti-
12 cle thirty-three of the public health law.

13 (b) "Vapor products dealer" means a person [licensed by the commis-
14 sioner to sell] who sells vapor products at retail to a person in this
15 state.

16 (c) "Vapor products distributor" means any person who imports or caus-
17 es to be imported into this state any vapor products or who manufactures
18 any vapor products in this state; provided, however, where a vapor
19 products dealer also imports vapor products or causes vapor products to
20 be imported into this state for sale, or manufactures vapor products for
21 sale in this state, such vapor products dealer shall also be a vapor
22 products distributor.

23 (d) "Contraband vapor products" means any vapor products that are: (1)
24 possessed by a vapor products dealer or vapor products distributor who
25 does not possess a valid certificate of registration or whose certif-
26 icate of registration has been revoked; (2) possessed by a vapor
27 products distributor or vapor products dealer upon which the tax imposed
28 by this article is due and has not been paid; or (3) possessed in this
29 state that are not listed on the vapor products registry pursuant to
30 section eleven hundred eighty-seven of this article.

31 (e) "Unit" means the individual package, box, carton, canister or
32 container of any kind, or, if no other container, any wrapping in or
33 from which retail sales of vapor products are made or intended to be
34 made as such vapor product is packaged by the manufacturer of such vapor
35 products.

36 § 3. Section 1181 of the tax law, as amended by chapter 92 of the laws
37 of 2021, is amended to read as follows:

38 § 1181. Imposition of tax. (a) (1) In addition to any other tax
39 imposed by this chapter or other law, there is hereby imposed a tax on
40 each unit of vapor products first imported into or manufactured in the
41 state by a vapor products distributor at the rate of fifty-five cents
42 per unit of vapor product that shall accrue at the time of first import
43 or manufacture in the state.

44 (2) The tax imposed by this subdivision shall be passed through from
45 the vapor products distributor to the vapor products dealer at the time
46 the vapor products distributor sells or transfers such vapor products to
47 a vapor products dealer. Upon each sale or transfer of vapor products,
48 other than a sale at retail, the vapor products distributor shall
49 provide to the vapor products dealer at the time of delivery of such
50 products, a certification containing such information as the commis-
51 er shall require that shall include a statement to the effect that such
52 vapor products distributor paid the taxes imposed by this subdivision
53 and, in each case, is passing through such taxes.

54 (3) It shall be presumed that all vapor products possessed within the
55 state by a vapor products dealer are subject to the vapor products
56 distributor tax until the contrary is established and the burden to

1 establish that any vapor products are not taxable hereunder shall be
2 upon the vapor products dealer in possession or control of such vapor
3 products.

4 (4) Every vapor products dealer shall be liable for the tax on vapor
5 products in their possession upon which tax has not been paid by a
6 distributor, and the failure of any vapor products dealer to produce and
7 exhibit to the commissioner upon demand the invoice provided by a vapor
8 products distributor for any vapor products in their possession shall be
9 presumptive evidence that the tax thereon has not been paid, and that
10 such dealer is liable for the tax thereon unless evidence of such
11 invoice or payment shall later be produced.

12 (b) In addition to any other tax imposed by this chapter or other law,
13 there is hereby imposed a tax of twenty percent on receipts from the
14 retail sale of vapor products sold in this state. The tax is imposed on
15 the purchaser and collected by the vapor products dealer as defined in
16 subdivision (b) of section eleven hundred eighty of this article, in
17 trust for and on account of the state.

18 (c) The taxes imposed under this section shall not apply to adult-use
19 cannabis products subject to tax under article twenty-C of this chapter.

20 § 4. Section 1183 of the tax law, as added by section 1 of part UU of
21 chapter 59 of the laws of 2019, is amended to read as follows:

22 § 1183. Vapor products [dealer] registration and renewal. (a) Every
23 [person who intends to sell vapor products] vapor products distributor
24 and vapor products dealer in this state must [receive from the commis-
25 sioner] file with the commissioner a properly completed application for
26 a certificate of registration and obtain such certificate twenty days
27 prior to [engaging in business] the first import, manufacture, or sale
28 of vapor products. Such person must electronically submit a properly
29 completed application for a certificate of registration [for each
30 location at which vapor products will be sold in this state,] on a form
31 prescribed by the commissioner[,] and such application shall be accompa-
32 nied by a non-refundable application fee of three hundred dollars. A
33 vapor products dealer shall apply for a certificate of registration for
34 each location at which vapor products will be sold at retail in this
35 state.

36 (b) A [vapor products dealer] certificate of registration shall be
37 valid for the calendar year for which it is issued unless earlier
38 [suspended or] revoked. Upon the expiration of the term stated on the
39 certificate of registration, such certificate shall be null and void. A
40 certificate of registration shall not be assignable or transferable and
41 shall be destroyed immediately upon [the vapor products dealer] the
42 person to whom such certificate is issued ceasing to do business as
43 specified in such certificate or in the event that such business never
44 commenced.

45 (c) (1) Every [vapor product dealer] person to whom a certificate is
46 issued under this article shall publicly display a vapor products [deal-
47 er] certificate of registration in each place of business in this state
48 where vapor products are first imported, manufactured, or sold [at
49 retail]. A vapor products dealer who has no regular place of business
50 shall publicly display such valid certificate on each of its carts,
51 stands, trucks or other merchandising devices through which it sells
52 vapor products.

53 (2) No vapor products distributor shall sell any vapor product to any
54 vapor products dealer who is not registered pursuant to this section, or
55 whose registration has been revoked. No vapor products dealer shall
56 purchase any vapor products from a vapor products distributor who is not

1 registered pursuant to this section, or whose registration has been
2 revoked.

3 (d) (1) The commissioner shall refuse to issue a certificate of regis-
4 tration pursuant to this section to any applicant who is required to but
5 does not possess a valid certificate of authority under section eleven
6 hundred thirty-four of this chapter. In addition, the commissioner may
7 refuse to issue a certificate of registration[, or suspend, cancel] or
8 revoke a certificate of registration issued to any person who: (A) has a
9 past-due liability as that term is defined in section one hundred seven-
10 ty-one-v of this chapter; (B) has had a certificate of registration
11 under this article or any license or registration provided for in this
12 chapter revoked [within one year from the date on which such application
13 was filed]; (C) has been convicted of a crime provided for in this chap-
14 ter [within one year from the date on which such application was filed];
15 (D) willfully fails to file a report or return required by this article;
16 (E) willfully files, causes to be filed, gives or causes to be given a
17 report, return, certificate or affidavit required by this article which
18 is false; (F) willfully fails to collect or truthfully account for or
19 pay over any tax imposed by this [article] chapter; [or] (G) has had a
20 penalty imposed pursuant to paragraph three, four, five, or six of
21 subdivision (b) of section eleven hundred eighty-five of this article
22 within one year from the date on which such application was filed; or
23 (H) whose place of business is at the same premises as that of a person
24 whose vapor products distributor registration or vapor products dealer
25 registration has been revoked and where such revocation is still in
26 effect, unless the applicant or vapor products distributor or vapor
27 products dealer, as the case may be, provides the commissioner with
28 adequate documentation demonstrating that such applicant or vapor
29 products distributor or vapor products dealer acquired the premises or
30 business through an arm's length transaction as defined in paragraph (e)
31 of subdivision one of section four hundred eighty-a of this chapter and
32 the sale or lease was not conducted, in whole or in part, for the
33 purpose of permitting the original registrant to avoid the effect of the
34 previous revocation for the same premises.

35 (2) In addition to the grounds provided in paragraph one of this
36 subdivision, the commissioner shall refuse to issue a certificate of
37 registration and shall [cancel or suspend] revoke a certificate of
38 registration as directed by an enforcement officer pursuant to article
39 thirteen-F of the public health law. Notwithstanding any provision of
40 law to the contrary, an applicant whose application for a certificate of
41 registration is refused or a vapor products distributor or vapor
42 products dealer whose registration is [cancelled or suspended] revoked
43 under this paragraph shall have no right to a hearing under this chapter
44 and shall have no right to commence a court action or proceeding or to
45 any other legal recourse against the commissioner with respect to such
46 refusal[, suspension or cancellation] or revocation; provided, however,
47 that nothing herein shall be construed to deny a vapor products distrib-
48 utor or vapor products dealer a hearing under article thirteen-F of the
49 public health law or to prohibit vapor products distributor or vapor
50 products dealers from commencing a court action or proceeding against an
51 enforcement officer as defined in section thirteen hundred ninety-nine-
52 aa of the public health law.

53 (3) No person whose registration has been revoked or was refused
54 pursuant to this section shall possess vapor products in any place of
55 business, cart, stand, truck or other merchandising device in this state
56 beginning on the tenth day after such revocation and continuing for the

1 duration of the same; provided, however, that such person shall not be
2 prohibited before the tenth day after such revocation from selling or
3 transferring such inventory of vapor product properly listed on the
4 vapor products registry pursuant to section eleven hundred eighty-seven
5 of this article on which taxes imposed by this article have been paid to
6 a properly registered vapor products dealer whose registration has not
7 been revoked.

8 (e) If a vapor products [dealer] certificate of registration is
9 [suspended, cancelled or] revoked and [such vapor products dealer] the
10 holder of such certificate sells vapor products through more than one
11 place of business in this state, the [vapor products dealer's] certifi-
12 cate of registration issued to that place of business, cart, stand,
13 truck or other merchandising device, where such violation occurred,
14 shall be [suspended,] revoked [or cancelled]. Provided, however, upon a
15 [vapor products dealer's] holder of a certificate of registration's
16 third [suspension, cancellation or] revocation within a five-year period
17 for any one or more businesses owned or operated by [the vapor products
18 dealer] such person, such [suspension, cancellation, or] revocation of
19 the [vapor products dealer's] certificate of registration shall apply to
20 all places of business where [he or she] such person sells vapor
21 products in this state.

22 (f) Every holder of a certificate of registration must notify the
23 commissioner of changes to any of the information stated on the certifi-
24 cate or changes to any information contained in the application for the
25 certificate of registration. Such notification must be made on or before
26 the last day of the month in which a change occurs and must be made
27 electronically on a form prescribed by the commissioner.

28 (g) Every vapor products distributor and vapor products dealer who
29 holds a certificate of registration under this [article] section shall
30 be required to reapply for a certificate of registration for the follow-
31 ing calendar year on or before the twentieth day of September and such
32 reapplication shall be subject to the same requirements and conditions,
33 including grounds for refusal, as an initial registration under this
34 [article] section, including but not limited to the payment of the three
35 hundred dollar application fee for each retail location.

36 (h) In addition to any other penalty imposed by this chapter, any
37 vapor products distributor or vapor products dealer who violates the
38 provisions of this section, (1) for a first violation is liable for a
39 civil [fine] penalty not less than five thousand dollars but not to
40 exceed twenty-five thousand dollars and such certificate of registration
41 may be [suspended] revoked for a period of not more than six months; and
42 (2) for a second or subsequent violation within three years following a
43 prior violation of this section, is liable for a civil [fine] penalty
44 not less than ten thousand dollars but not to exceed thirty-five thou-
45 sand dollars and such certificate of registration may be [suspended]
46 revoked for a period of up to thirty-six months; or (3) for a third
47 violation within a period of five years, its vapor products certificate
48 or certificates of registration issued to each place of business owned
49 or operated by the vapor products distributor or vapor products dealer
50 in this state, shall be revoked for a period of up to five years.

51 § 5. Section 1184 of the tax law, as added by section 1 of part UU of
52 chapter 59 of the laws of 2019, is amended to read as follows:

53 § 1184. Administrative provisions. (a) Except as otherwise provided
54 for in this article, the taxes imposed by this article shall be adminis-
55 tered and collected in a like manner as and jointly with the taxes
56 imposed by sections eleven hundred five and eleven hundred ten of this

1 chapter. In addition, except as otherwise provided in this article, all
2 of the provisions of article twenty-eight of this chapter (except
3 sections eleven hundred seven, eleven hundred eight, eleven hundred
4 nine, and eleven hundred forty-eight) relating to or applicable to the
5 administration, collection and review of the taxes imposed by such
6 sections eleven hundred five and eleven hundred ten, including, but not
7 limited to, the provisions relating to definitions, returns, exemptions,
8 penalties, tax secrecy, personal liability for the tax, and collection
9 of tax from the customer, shall apply to the taxes imposed by this arti-
10 cle so far as such provisions can be made applicable to the taxes
11 imposed by this article with such limitations as set forth in this arti-
12 cle and such modifications as may be necessary in order to adapt such
13 language to the taxes so imposed. Such provisions shall apply with the
14 same force and effect as if the language of those provisions had been
15 set forth in full in this article except to the extent that any
16 provision is either inconsistent with a provision of this article or is
17 not relevant to the taxes imposed by this article.

18 (b) Notwithstanding the provisions of subdivision (a) of this section,
19 the exemptions provided in paragraph ten of subdivision (a) of section
20 eleven hundred fifteen of this chapter, and the provisions of section
21 eleven hundred sixteen, except those provided in paragraphs one, two,
22 three and six of subdivision (a) of such section, shall not apply to the
23 taxes imposed by this article.

24 (c) Notwithstanding the provisions of this section or section eleven
25 hundred forty-six of this chapter, the commissioner may, in [his or her]
26 their discretion, permit the commissioner of health or [his or her]
27 their authorized representative to inspect any return related to the
28 [tax] taxes imposed by this article and may furnish to the commissioner
29 of health any such return or supply [him or her] such commissioner with
30 information concerning an item contained in any such return, or
31 disclosed by any investigation of a liability under this article.

32 (d) Every vapor products distributor and vapor products dealer on whom
33 tax is imposed under this article shall maintain complete and accurate
34 records in such form as the commissioner may require and shall provide
35 such records to the commissioner upon request. Each vapor products
36 distributor shall make a true duplicate invoice, in the form and manner
37 prescribed by the commissioner, that identifies the name and address of
38 the vapor products distributor, such distributor's certificate of regis-
39 tration number issued by the commissioner, the names and addresses of
40 any consignors or sellers, the names and addresses of the vapor products
41 dealer or any consignees or purchasers, the date of delivery or
42 purchase, the quantities, brands and purchase price of the vapor
43 products transported, purchased or delivered, the amount of taxes paid
44 by such distributor pursuant to section eleven hundred eighty-one of
45 this article on such vapor products, and any other record or information
46 the commissioner may require. A vapor products distributor shall provide
47 such invoice to the vapor products dealer when such vapor products are
48 purchased or received. Such records shall be preserved for a period of
49 four years after the filing of the return to which such records relate
50 and shall be provided to the commissioner upon request.

51 (e) (1) In addition to any other penalty provided in this chapter or
52 otherwise imposed by law, every person subject to the taxes imposed
53 under this article who fails to maintain or make available to the
54 commissioner the records required by this section shall be subject to a
55 penalty not to exceed one thousand dollars for each month, or part ther-
56 eof, for which the failure occurs. Such penalty may not be imposed more

1 than once for failures for the same monthly period or part thereof. If
2 the commissioner determines that a failure to maintain and make avail-
3 able records in any month was entirely due to reasonable cause and not
4 due to willful neglect, the commissioner shall abate the penalty for
5 that month.

6 (2) The failure of any vapor products distributor or vapor products
7 dealer on whom tax is imposed under this article to meet the require-
8 ments made applicable by subdivision (a) of this section for such vapor
9 products possessed by such distributor or such dealer shall be presump-
10 tive evidence that the taxes imposed pursuant to section eleven hundred
11 eighty-one of this article have not been paid, and that such distributor
12 or dealer is liable for the taxes thereon unless evidence of such
13 invoice, receipt or payment shall later be produced.

14 § 6. Section 1185 of the tax law, as added by section 1 of part UU of
15 chapter 59 of the laws of 2019, is amended to read as follows:

16 § 1185. [Criminal penalties] Enforcement. (a) For purposes of the
17 efficient administration of the taxes imposed by this article, it is the
18 intent of the legislature that the distribution and sale of vapor
19 products be deemed a heavily regulated industry subject to supervision
20 by the commissioner. The commissioner is hereby authorized to conduct
21 regulatory inspections in the same manner as a regulatory inspection
22 pursuant to article twenty of this chapter of any place of business or
23 vehicle where vapor products are distributed, placed, stored, sold or
24 offered for sale and to examine the books, papers, invoices and other
25 records of any place of business or vehicle where vapor products are
26 distributed, placed, stored, sold or offered for sale. Any vapor
27 products distributor or vapor products dealer in possession, control or
28 occupancy of any such business or vehicle is hereby directed and
29 required upon demand to give to the commissioner the means, facilities,
30 and opportunity for such inspections and examinations.

31 (b) Penalties. (1) The criminal penalties in sections eighteen hundred
32 one through eighteen hundred seven and eighteen hundred seventeen of
33 this chapter shall apply to this article with the same force and effect
34 as if the language of those provisions had been set forth in full in
35 this article except to the extent that any provision is either incon-
36 sistent with a provision of this article or is not relevant to the taxes
37 imposed by this article.

38 (2) If any person registered under section eleven hundred eighty-three
39 of this article refuses to give the commissioner the means, facilities
40 and opportunity for the inspections and examinations provided for in
41 this article, such person's registration to distribute or to sell vapor
42 products in this state shall be revoked for a period of one year or, for
43 a second such failure within a period of three years, such registration
44 shall be permanently revoked.

45 (3) If any person required to be registered under section eleven
46 hundred eighty-three of this article who does not possess a valid regis-
47 tration, or whose registration is revoked, refuses to give the commis-
48 sioner the means, facilities and opportunity for such inspections and
49 examinations provided for in this article, such person shall be subject
50 to a civil penalty of up to four thousand dollars for the first such
51 refusal, and up to eight thousand dollars for a second or any subsequent
52 such refusal within three years of a prior refusal.

53 (4) Any vapor products distributor who: (i) sells vapor products to a
54 vapor products dealer that does not possess a valid registration under
55 section eleven hundred eighty-three of this article, or whose registra-
56 tion is revoked; (ii) manufactures, sells, imports, or causes to be

1 imported, into this state any contraband vapor products; or (iii)
2 possesses contraband vapor products for sale in this state shall be
3 subject to a civil penalty of up to four thousand dollars for the first
4 such violation, and up to eight thousand dollars for a second or any
5 subsequent violation within three years. The possession by a vapor
6 products distributor of more than one hundred units of any vapor
7 products in its place of business or any offices or vehicles used to
8 conduct business shall be presumptive evidence that such vapor products
9 are possessed for the purpose of sale or transfer to a retail dealer.

10 (5) Any vapor products dealer who possesses contraband vapor products
11 for sale in this state shall be liable for a civil penalty of up to
12 twenty-five thousand dollars for a first violation and up to thirty-five
13 thousand dollars for a second or any subsequent violation within three
14 years following a prior violation. The possession by a vapor products
15 dealer of more than one hundred units of any vapor products in a retail
16 location shall be presumptive evidence that such vapor products are
17 possessed for the purpose of a sale.

18 (6) Any vapor products dealer who purchases vapor products from any
19 vapor products distributor who does not possess a valid registration
20 under section eleven hundred eighty-three of this article, or whose
21 registration is revoked, shall be subject to a civil penalty of up to
22 four thousand dollars for the first such sale, and up to eight thousand
23 dollars for a second or any subsequent sale within three years.

24 (c) Forfeiture and seizure. (1) The commissioner, or their duly
25 authorized representative, shall seize any contraband vapor products
26 found in any place of business or vehicle where such products are
27 distributed, placed, stored, sold or offered for sale. Such seized
28 contraband vapor products shall be immediately forfeited to the state.
29 If such contraband vapor products are not the subject of a criminal
30 referral, such contraband vapor products shall be turned over to the
31 commissioner of health for destruction.

32 (2) Contraband vapor products that have been seized pursuant to this
33 subdivision that are the subject of a criminal referral shall be held in
34 the custody of either the commissioner or the prosecutor until such time
35 as the related criminal action has concluded. Notwithstanding any
36 provision of law to the contrary, such vapor products may be turned over
37 to the commissioner of health for destruction upon the written consent
38 of the prosecutor or an authorized assistant or agent thereof.

39 (3) The commissioner or the commissioner of health, whomever is in
40 possession of the seized and forfeited vapor products, may implement
41 procedures whereby any cost charged for the storage and destruction of
42 the seized and forfeited vapor products will be borne jointly and
43 severally by the manufacturer of the product and the person from whom
44 such products were seized.

45 § 7. The tax law is amended by adding a new section 1187 to read as
46 follows:

47 § 1187. Vapor products registry. (a) The commissioner shall maintain a
48 publicly available vapor products registry that lists all vapor products
49 the commissioner has authorized to be sold in this state. Such registry
50 shall be updated at least monthly.

51 (b) Every manufacturer of vapor products whose vapor products are sold
52 in this state shall certify to the commissioner each calendar year, or
53 earlier as necessary, on a form and in a manner prescribed by the
54 commissioner, that: (1) the manufacturer has received a marketing
55 authorization or similar order for each such vapor product from the
56 United States food and drug administration pursuant to section three

1 hundred eighty-seven-j of the federal food, drug, and cosmetic act; or
2 (2) each vapor product was marketed in the United States as of August
3 eighth, two thousand sixteen, a pre-market tobacco product application
4 was submitted for the vapor product to the United States food and drug
5 administration pursuant to section three hundred eighty-seven-j of the
6 federal food, drug, and cosmetic act on or before September ninth, two
7 thousand twenty, and either the application remains under review by the
8 United States food and drug administration or a final decision on the
9 application has not taken effect.

10 (c) (1) A vapor products manufacturer must file an application for
11 certification to the commissioner or for an amended certification to add
12 additional vapor products to the vapor products registry if the vapor
13 product satisfies the requirements provided in this section. Such
14 certification shall be effective for the calendar year in which it is
15 issued; provided, however, that any vapor products approved by the
16 commissioner for inclusion on the vapor products registry shall only be
17 listed on the registry and sold in this state until the end of the
18 calendar year, at which time, a manufacturer that intends to continue to
19 sell such vapor products in this state shall reapply to the commissioner
20 for such products to remain on the registry for the next calendar year.
21 The application shall include a schedule, in the manner prescribed by
22 the commissioner, that separately lists each of the vapor products
23 intended for sale in the state. The manufacturer shall submit with the
24 application a non-refundable fee equal to one thousand five hundred
25 dollars per individual vapor product to be listed on the registry for
26 each calendar year.

27 (2) For each vapor product to be listed on the registry, the applica-
28 tion to the commissioner shall include a copy of the marketing authori-
29 zation or similar order for the vapor product issued by the United
30 States food and drug administration pursuant to section three hundred
31 eighty-seven-j of the federal food, drug, and cosmetic act, as provided
32 under paragraph one of subdivision (b) of this section, or evidence that
33 the pre-market tobacco product application for the vapor product was
34 submitted to the United States food and drug administration, as provided
35 under paragraph two of subdivision (b) of this section and a final deci-
36 sion on the application has not taken effect. Other information, includ-
37 ing but not limited to, the twelve-digit universal product code, a
38 picture of the product label, a picture of the product to be listed on
39 the registry, the manufacturer contact information, and any other infor-
40 mation as prescribed by the commissioner, shall be included with the
41 application.

42 (d) A manufacturer shall notify the commissioner within thirty days of
43 any material change to the information contained in its application,
44 including any order or action by the United States food and drug admin-
45 istration that affects the ability of the vapor product to be introduced
46 or delivered into interstate commerce for commercial distribution in the
47 United States.

48 (e) Any vapor products that cannot be lawfully sold or possessed in
49 this state shall not be listed on the vapor products registry. Vapor
50 products distributors and vapor products dealers shall not purchase or
51 sell any vapor products that are not listed on the vapor products regis-
52 try. The commissioner may impose on each such distributor or dealer who
53 sells or offers for sale vapor products in this state that are not list-
54 ed on the vapor product registry a civil penalty of one thousand dollars
55 per day for each vapor product offered for sale in violation of this
56 section until each such vapor product is no longer offered for sale in

1 this state or each such vapor product is properly listed on the registry
2 pursuant to this section; provided, however, that any such penalty
3 imposed under this subdivision shall not exceed fifty thousand dollars
4 in the aggregate per day.

5 (f) (1) The commissioner shall provide a vapor products manufacturer
6 with notice and an opportunity to cure deficiencies before removing a
7 vapor product from the registry. The commissioner may remove a vapor
8 product from the registry no sooner than ten business days after the
9 date on which the commissioner provides such notice to the manufacturer
10 by electronic mail to the address provided on the vapor product manufac-
11 turer's most recent application for inclusion on the vapor products
12 registry submitted pursuant to this section.

13 (2) A determination by the commissioner to refuse inclusion of or to
14 remove a vapor product from the registry shall not be subject to review
15 in the division of tax appeals, but may be reviewed pursuant to article
16 seventy-eight of the civil practice law and rules, by a proceeding

52 Section 1. Notwithstanding any provision of law to the contrary, the
53 commissioner of taxation and finance is hereby directed to institute a

1 reregistration program in accordance with this section, to be completed
2 by December 31, 2030. Such commissioner shall issue a notice of expira-
3 tion to holders of current certificates of authority in an order and at
4 such times that such commissioner determines necessary for the proper
5 administration of such reregistration program and to ensure the integri-

7 notice of expiration shall be issued to the holder of such certificate
8 of authority at least 180 days prior to the date of expiration indicated
9 therein and shall be mailed by certified mail in accordance with the
10 provisions in subdivision (a) of section 1147 of the tax law. A properly
11 completed certificate of registration for a new certificate of authority
12 must be filed with such commissioner at least 90 days prior to the date
13 of expiration of the current certificate of authority. The commissioner,
14 within 30 days of receipt of a certificate of registration for a new
15 certificate of authority pursuant to this section, shall either: issue,
16 without charge, to each registrant a certificate of authority empowering
17 such person to collect sales tax for a specified term of no less than
18 three years, and a duplicate thereof for each additional place of busi-
19 ness of such person; or, shall propose to refuse to issue a certificate
20 of authority for any of the circumstances described in subparagraph (B)

31 tax penalty and interest discount program for all eligible taxpayers
32 with eligible tax liabilities as described in this section.

33 (b) For purposes of this sales and use tax penalty and interest
34 discount program, an eligible taxpayer is any person who is a holder of
35 a current certificate of authority subject to the reregistration program
36 authorized by section one of this act who has an eligible tax liability,
37 and who meets the conditions of this section. A person convicted of a
38 crime under the tax law, or a person convicted under the penal law who

43 or pursuant to the authority of article 29 of such law, including any
44 interest or penalty thereon, that is fixed and final on or before
45 September 1, 2026, such that the taxpayer no longer has any right to an
46 administrative or judicial review. An eligible tax liability shall not
47 include any penalty imposed by paragraphs 2 or 5 of subdivision (a) of
48 section 1145 of the tax law, or subdivisions (i) or (j) of such section
49 1145, as added by section 15 of subpart J of part V-1 of chapter 57 of
50 the laws of 2009. An eligible tax liability shall not include any
51 assessment that was reduced by a written agreement with the commission-
52 er, a liability that was compromised pursuant to subdivision eight-
53 teenth-a of section 171 of the tax law, or a liability reduced pursuant
54 to subdivision 3 of section 1700 of the tax law.

55 (d) The discounted amount due under the sales and use tax penalty and
56 interest discount program for an eligible taxpayer with an eligible tax

1 liability shall be the sales or use tax liability plus fifty percent of
2 the interest accrued thereon, through December 31, 2026.

3 (e) The commissioner of taxation and finance shall identify the eligi-
4 ble taxpayers with eligible tax liabilities for purposes of this
5 section, shall compute the discounted amount due on such eligible tax
6 liabilities, and shall notify eligible taxpayers of such discounted
7 amount due. The discount authorized by this section shall not be granted
8 to any eligible taxpayer for any eligible tax liability unless the
9 eligible taxpayer pays the discounted amount due in full on or before
10 December 31, 2026. Payment pursuant to this program shall be made by
11 eligible taxpayers with eligible tax liabilities in a form and manner as
12 prescribed by the commissioner of taxation and finance.

13 (f) No refund will be granted or subsequent credit allowed with
14 respect to any penalty or interest paid with respect to an eligible tax
15 liability prior to the time the eligible taxpayer participates in the
16 sales and use tax penalty and interest discount program.

17 (g) No refund will be granted or subsequent credit allowed with
18 respect to any amount paid under the sales and use tax penalty and
19 interest discount program.

20 (h) If an eligible taxpayer has entered into an installment payment
21 agreement that applies to an eligible tax liability, the taxpayer may
22 participate in the sales and use tax penalty and interest discount
23 program with respect to that liability if the taxpayer pays the
24 discounted amount due under such program in full by December 31, 2026.

25 § 3. This act shall take effect immediately.

35 takes place.

36 (2) The purchase of electricity for sale by means of a commercial
37 electric vehicle charging station shall be deemed a retail sale subject
38 to tax under subdivision (b) of section eleven hundred five of this

PART R

12 Section 1. Subdivision (a) of section 308 of the tax law, as amended
13 by chapter 2 of the laws of 1995, is amended to read as follows:

14 (a) General.--Every petroleum business subject to tax under this arti-
15 cle shall monthly, on or before the twentieth day following the close of
16 its taxable month, file a return which shall state (i) the number of
17 gallons of motor fuel imported or caused to be imported into this state
18 for use, distribution, storage or sale in the state or produced,
19 refined, manufactured or compounded in the state during the preceding
20 calendar month, (ii) the number of gallons of diesel motor fuel sold or
21 used or, with respect to gallonage which prior thereto has not been
22 included in the measure of the tax imposed by this article, delivered by
23 the petroleum business to a filling station or into the fuel tank
24 connecting with the engine of a motor vehicle for use in the operation
25 thereof during the preceding calendar month, (iii) the number of gallons
26 of, and the resultant product produced, manufactured or blended, using
27 diesel motor fuel as a component of such resultant product and the sales
28 of such resultant product, and (iv) the number of gallons of residual
29 petroleum product sold or used in this state and the sales of such resi-
30 dual petroleum product, for the period covered by such return. A resi-
31 dual petroleum business shall include in its reports the number of
32 gallons of residual petroleum product imported into the state or
33 purchased in this state, the number of gallons of diesel motor fuel
34 purchased in this state and the number of gallons of, and the resultant
35 product produced, manufactured or blended by such petroleum business,
36 using diesel motor fuel as a component of such resultant product. The
37 commissioner of taxation and finance may permit the filing of a return
38 on a quarterly basis in the case of a petroleum business which only
39 makes sales of diesel motor fuel solely for residential heating purposes
40 and which is registered under article twelve-A of this chapter as a
41 diesel motor fuel distributor under a limited registration applicable
42 only to the importation, sale and distribution of diesel motor fuel for
43 the purposes described in subparagraph (i) of paragraph (b) of subdivi-
44 sion three of section two hundred eighty-two-a of this chapter or in the
45 case of a petroleum business registered as a "distributor of kero-jet
46 fuel only" pursuant to the provisions of subdivision two of section two
47 hundred eighty-two-a of this chapter. In the case of such returns
48 permitted to be filed on a quarterly basis, the adjustments to the rates
49 of tax then in effect, as provided for in sections three hundred one-a
50 and three hundred one-e of this article, which take effect on the first
51 day of January of each year shall, with respect to such quarterly
52 return, take effect on the first day of the next succeeding March.

2 by the commissioner, setting forth such other information as the commis-

4 other returns and such facts and information as the commissioner may
5 require in the administration of this article. Every petroleum business
6 which is a corporation subject to tax under this article and which ceas-
7 es to exercise its franchise or to be subject to the tax imposed by this
8 article shall transmit to the commissioner a return on the date of such
9 cessation, or at such other time as the commissioner may require, cover-
10 ing each month or period for which no return was theretofore filed. The
11 commissioner may, if the commissioner deems it necessary in order to
12 insure the payment of the tax imposed by this article, require returns
13 to be made at such times and covering such periods as the commissioner
14 may deem necessary. Notwithstanding the foregoing provisions of this
15 subdivision, the commissioner may require any corporation or unincorpo-
16 rated business [which] that engages in transactions involving petroleum
17 or similar products, including aviation fuels, to file a monthly return,
18 which shall contain [any data specified by him] such information as the
19 commissioner prescribes, regardless of whether such corporation or unin-
20 corporated business is subject to tax under this article. Notwithstand-
21 ing the provisions of this subdivision, every petroleum business that
22 operates a "commercial vessel", as defined in subdivision (b) of section
23 eleven hundred one of this chapter, shall annually file the returns
24 required under this section, on a form and containing such information
25 as the commissioner prescribes. Such "commercial vessel" returns shall
26 be filed annually on or before March twentieth and shall cover the four
27 sales tax quarterly periods described in subdivision (b) of section
28 eleven hundred thirty-six of this chapter immediately preceding such
29 date.

30 § 2. This act shall take effect on the first day of the month next
31 commencing at least ninety days after this act shall have become a law;
32 provided, however, that a petroleum business that is required to file an
33 annual return pursuant to section one of this act shall be required to
34 file monthly returns for periods ending on or before such effective
35 date; and provided further, however, that such petroleum business shall
36 file an annual return for the remainder of the annual period of March 1,
37 2026 through February 28, 2027, on or before March 20, 2027, and shall
38 be required to file annual returns thereafter.

43 fuels, as amended by section 1 of part EE of chapter 59 of the laws of

45 § 19. This act shall take effect immediately; provided, however, that
46 sections one through thirteen of this act shall take effect September 1,

5 taxable years beginning on or after January 1, 2006.

6 § 2. This act shall take effect immediately.

7

PART T

8 Section 1. Paragraph (a-2) of subdivision 6 of section 425 of the real
9 property tax law, as amended by section 1 of subpart A of part Z of
10 chapter 59 of the laws of 2022, is amended to read as follows:

11 (a-2) Notwithstanding any provision of law to the contrary, [where an
12 application for the "enhanced" STAR exemption authorized by subdivision
13 four of this section has not been filed on or before the taxable status
14 date, and the owner believes that good cause existed for the failure to
15 file the application by that date,] when a property owner of a property
16 with a basic STAR exemption believes they have become eligible for the
17 enhanced STAR exemption but their basic STAR exemption has not been
18 changed to an enhanced STAR exemption pursuant to the provisions of
19 paragraph (b) of subdivision four-b of this section, the owner may, no
20 later than the last day for paying school taxes without incurring inter-
21 est or penalty, submit a [written] request to the commissioner asking
22 [him or her to extend the filing deadline and] the commissioner to grant
23 the exemption. Such request shall be in a form prescribed by the commis-
24 sioner and shall contain an explanation of why the [deadline was missed,
25 and shall be accompanied by an application, reflecting the facts and
26 circumstances as they existed on the taxable status date] property owner
27 believes they have become eligible for the enhanced STAR exemption.
28 After consulting with the assessor, the commissioner may [extend the
29 filing deadline and] grant the exemption if the commissioner is satis-
30 fied that [(i) good cause existed for the failure to file the applica-
31 tion by the taxable status date, and that (ii)] the applicant is [other-
32 wise] entitled to the exemption. The commissioner shall mail notice of
33 [his or her] such determination to such owner and the assessor. If the
34 determination states that the commissioner has granted the exemption,
35 the assessor shall thereupon be authorized and directed to correct the
36 assessment roll accordingly, or, if another person has custody or
37 control of the assessment roll, to direct that person to make the appro-
38 priate corrections. Provided, however, that if the assessment roll
39 cannot be corrected in time for the exemption to appear on the appli-
40 cant's school tax bill, the commissioner shall be authorized to remit
41 directly to the applicant the tax savings that the STAR exemption would
42 have yielded if it had appeared on the applicant's tax bill. The amounts
43 so payable shall be paid from the account established for the payment of
44 STAR benefits to late registrants pursuant to subparagraph (iii) of
45 paragraph (a) of subdivision fourteen of this section.

46 § 2. Paragraphs (c) and (d) of subdivision 14 of section 425 of the
47 real property tax law are REPEALED and a new paragraph (c) is added to
48 read as follows:

49 (c) When the commissioner determines that a property is ineligible for
50 a STAR exemption, notice of such determination and an opportunity for
51 review thereof shall be provided in the manner set forth in subdivision
52 four-b of this section.

1 § 3. Subparagraphs (ii) and (iii) of paragraph (b) of subdivision 15
2 of section 425 of the real property tax law are REPEALED and a new
3 subparagraph (ii) is added to read as follows:

13 ber thirty-first] July first of the taxable year, and who was an owner
14 of that property on that date, provided however:

15 (i) A taxpayer whose primary residence received a STAR exemption for
16 the associated fiscal year shall not be considered a qualified taxpayer
17 for purposes of this subsection.

18 (ii) An individual may be considered a qualified taxpayer with respect
19 to no more than one primary residence during any given taxable year.

20 [(iii) If a resident individual was an owner of the property during
21 the taxable year but did not own it on December thirty-first of the
22 taxable year, he or she shall be considered a qualified taxpayer if the
23 property was his or her primary residence during the taxable year and he
24 or she paid qualifying taxes on that property while he or she was still
25 an owner of that property.

26 (iv) If a resident individual has acquired ownership of property

29 (including stakes, premiums and prizes) in races hereafter conducted by
30 such corporation, and any portion not so used during any year shall be
31 so used during the following year[, failing which such portion shall be
32 payable to the commissioner of taxation and finance as additional tax].

2 [equal to at least] than ninety percent of the programs and races so
3 conducted during nineteen hundred eighty-five or during nineteen hundred
4 eighty-six, whichever is less, [in lieu of the tax rates set forth in
5 subdivision one of this section the applicable pari-mutuel tax rates for
6 such corporation with respect to on-track pari-mutuel betting pools

26 such year, that such corporation did conduct such number of programs and
27 races as were certified pursuant to subparagraph (i) of this paragraph,
28 or if it failed to conduct such number that such failure was for good
29 cause due to factors beyond its control or because the commission found
30 it uneconomical or impractical for such corporation to conduct such a
31 number.

32 c. For any calendar year for which the commission does not certify
33 pursuant to the provisions of subparagraph (i) of paragraph b of this
34 subdivision with respect to a corporation, the tax imposed by this
35 section shall be computed by substituting the provisions of paragraph a
36 of this subdivision for the provisions of subdivision one of this
37 section and shall pay the tax so computed to the commissioner of taxa-

39 of this section shall apply as if the provisions of this paragraph and
40 of paragraph a of this subdivision had been incorporated in whole in

10 e. Written notice of the certification of the commission pursuant to
11 the provisions of paragraph b of this subdivision shall be given by the
12 commission to the applicable corporation by the dates therein specified.

16 race days, cancellation of a race day because of an act of God that the
17 commission approves or because of weather conditions that are unsafe or
18 hazardous that the commission approves shall not be construed as a fail-
19 ure to conduct a race day. Additionally, cancellation of a race day
20 because of circumstances beyond the control of such franchised corpo-

44 when due. If the commissioner determines that any moneys received by the
45 commissioner under this section were paid in error, the commissioner may
46 cause the same to be refunded without interest out of any moneys
47 collected thereunder, provided an application therefor is filed with the
48 commissioner within one year from the time the erroneous payment was

8 tional tax. Such additional tax shall be payable on or before April
9 first in the year following the year in which such portion is not so
10 used and the provisions of paragraph a of this subdivision shall be
11 applicable thereto except as to the time of payment].

35 claiming to represent at least fifty-one percent of such owners and
36 trainers may file a challenge with the commission within fifteen days of
37 such original certification. The commission shall examine such claim and
38 may undertake studies and conduct hearings to determine the validity of
39 such claim. Within sixty days of receiving such challenge and based
40 upon the findings of such studies and hearings, the commission shall
41 render a decision on the validity of such claim and advise such organ-

43 receipt of such original certification by such organization, the associ-

35 beginning on April first in nineteen hundred ninety and any year there-
36 after, [each of the applicable rates set forth above shall be increased
37 by one-quarter of one percent on all on-track bets of any such racing
38 association or corporation that did not] expend an amount equal to at
39 least one-half of one percent of its on-track bets during the immediate-
40 ly preceding calendar year for enhancements consisting of capital
41 improvements as defined by section three hundred nineteen of this arti-
42 cle, repairs to its physical plant, structures, and equipment used in

46 in each calendar year,] not otherwise conducted in the ordinary course
47 of business, the purpose of which shall be to encourage, attract and
48 promote track attendance and encourage new and continued patronage,

50 purposes of this subdivision. In this regard, expenditures by a county
51 agricultural society pursuant to section three hundred nineteen of this
52 article shall be credited to the applicable harness racing association
53 or corporation for this purpose. In the determination of the amounts
54 expended for such enhancements, the commission may consider the imme-
55 diately preceding twelve-month calendar period or the average of the two
56 immediately preceding twelve-month calendar periods. [Notwithstanding

1 the foregoing no increase shall be imposed unless such corporation or
2 association has been afforded a notice and opportunity to be heard. The
3 commission shall promulgate rules and regulations to implement the
4 provisions relating to notice and hearing.

5 Such associations or corporations shall receive credit as a reduction
6 of the daily tax by the state for the privilege of conducting pari-mutu-
7 el betting of amounts equal to four-tenths percent of total daily pools
8 resulting from the simulcast of such association's or corporation's
9 races to licensed facilities operated by regional off-track betting
10 corporations in accordance with section one thousand eight of this chap-
11 ter, provided however, that in no event shall the total daily credit
12 exceed four-tenths percent of the total daily pool of such association
13 or corporation which tax is hereby levied and shall be paid to the
14 commissioner of taxation and finance as a reasonable tax imposed by the
15 state for the privilege of conducting pari-mutuel betting at races run

17 sion shall report annually, before July first, to the director of the
18 budget, the chair of the senate finance committee and the chair of the
19 assembly ways and means committee the extent to which such corporations
20 and associations used such retained percentages [and breakage] for oper-
21 ations, maintenance, capital improvements, advertising and promotion,
22 administration and general overhead and evaluate the effectiveness and
23 make recommendations with respect to the application of the [reduced]
24 rates of taxation as provided for in this subparagraph in accomplishing
25 the objectives stated therein. Such report shall also specify the
26 amounts of such retained percentages [and breakage] used for investments
27 not directly related to racing activities and such amounts used to
28 declare dividends or other profit distributions, additions to capital
29 stock, its sale and transfer and additions to retained earnings. Such
30 reports shall also include an analysis of any such agreements or
31 proposals to conduct or otherwise expand wagers authorized under article
32 ten of this chapter and present its conclusions with respect to the
33 conduct of such wagering, the nature of such proposals and agreements,
34 and recommendations to ensure the future maintenance of the intent of
35 this article.

37 amount equal to one and three-quarters percent of the total pool result-
38 ing from on-track regular, multiple and exotic bets shall be used exclu-
39 sively for the purpose of increasing purses awarded in overnight races
40 conducted by such association or corporation. Such amounts shall be in
41 addition to purse moneys otherwise provided pursuant to existing
42 contractual obligations. In this regard an amount equal to twelve
43 percent of the total bets in super exotic pools shall be used for purses
44 in lieu of any such contractual obligations that might otherwise apply
45 to purses to be awarded on super exotic bets. Any portion of such amount
46 not so used during any year shall be so used during the following year[,
47 failing which such portion shall be payable to the commissioner of taxa-

49 required in this paragraph, fifty percent of all additional sums
50 retained, as a result of tax reductions provided in this section after
51 September first, nineteen hundred ninety-four to qualified licensed
52 harness racing associations, shall be used exclusively for purposes of
53 increasing purses awarded in overnight races conducted by such associ-
54 ation or corporation, provided that such association or corporation has
55 entered into a written agreement with its representative horsemen's
56 organization on and after September first, nineteen hundred ninety-four.

1 Notwithstanding anything contained herein to the contrary, in a harness
2 special betting district the amount to be used for purses or the method-
3 ology for calculating the amount to be used for purses may be specified
4 in a written contract between a harness racing association or corpo-
5 ration and its representative horsemen's association. The balance of the
6 retained percentage of such pool may be held by such corporation or
7 association for its own use and purposes.

8 (iii) [Of the amount of the breaks from on-track regular, multiple,
9 exotic and super exotic bets such association or corporation shall pay
10 fifty percent to the commissioner of taxation and finance. The balance

12 own use and purposes.

13 (iv)] The commission shall as a condition of racing require an associ-
14 ation authorized to operate in areas other than Westchester or Nassau
15 county to withhold one percent of all purses and to pay such sum to the
16 horsemen's organization representing the owners and trainers using the
17 facilities of such association [which] that had a contract with the
18 association governing the conditions of racing on January first, nine-
19 teen hundred ninety-two, as determined by the commission.

20 Any other horsemen's organization may apply to the commission to be
21 approved as the qualified organization to receive payment of the one
22 percent of all purses by submitting to the commission proof of both,
23 that (i) such organization represents more than fifty-one percent of all
24 the owners and trainers using the same facilities and (ii) the
25 horsemen's organization previously approved as qualified by the commis-
26 sion does not represent fifty-one percent of all the owners and trainers
27 using the same facilities. If the commission is satisfied that the
28 documentation submitted with the application of any other horsemen's
29 organization is conclusive with respect to subparagraphs (i) and (ii) of
30 this paragraph, the commission may approve the applicant as the quali-
31 fied recipient organization.

32 In the best interests of racing, upon receipt of such an application,
33 the commission may direct the payments to the previously qualified
34 horsemen's organization to continue uninterrupted, or it may direct the
35 payments to be withheld and placed in interest-bearing accounts for a
36 period not to exceed ninety days, during which time the commission shall
37 review and approve or disapprove the application. Funds held in such
38 manner shall be paid to the organization approved by the commission. In
39 no event shall the commission accept more than one such application in
40 any calendar year from the same horsemen's organization.

41 The funds authorized to be paid by the commission are to be used
42 exclusively for the benefit of those horsemen racing in New York state
43 through the administrative purposes of such qualified organization,
44 benevolent activities on behalf of backstretch employees, and for the
45 promotion of equine research.

46 c. Of the sums retained by any harness racing association or corpo-
47 ration, an amount equal to one percent of the total pools resulting from
48 on-track regular, multiple and exotic bets and an amount equal to three
49 percent of the total pools resulting from on-track super exotic bets
50 shall be paid to the agriculture and New York state horse breeding
51 development fund.

52 d. Every harness racing association or corporation shall pay to the
53 commission as a regulatory fee, which fee is hereby levied, six-tenths
54 of one percent of the total daily on-track pari-mutuel pools of such
55 association or corporation.

1 4. Notwithstanding any other provisions of this chapter, there shall
2 be no pari-mutuel tax imposed upon the compensation received by any
3 harness racing association or corporation in consideration for (a)
4 permission to have wagering conducted outside this state on races run by
5 such association or corporation, and (b) the simulcasting outside this
6 state of races run by such association or corporation, except for such
7 permission or such simulcasting as may be granted to an off-track
8 betting operator in the state of Connecticut by a harness racing associ-
9 ation or corporation located in Nassau or Westchester county. Any such
10 association or corporation so simulcasting to an off-track betting oper-
11 ator in the state of Connecticut shall pay to the New York commissioner
12 of taxation and finance a reasonable tax for such permission and privi-
13 lege for such simulcasting, which is hereby levied, at the following
14 rates: one and one-tenth [per centum] percent of total daily regular and
15 multiple bets; three and one-tenth [per centum] percent of total daily
16 exotic bets; and three and one-half [per centum] percent of total daily
17 super exotic bets.

18 5. [Tax rates in event of failure to maintain] Maintenance of pari-mu-
19 tuel racing activity. [a. Notwithstanding any other provision of this
20 section to the contrary, for] For any calendar year commencing on or
21 after January first, nineteen hundred eighty-nine, [in which] a harness
22 racing association or corporation [does] shall not conduct [a minimum
23 number of] fewer pari-mutuel programs and pari-mutuel races at its
24 facilities [equal to at least] than ninety percent of the programs and
25 races so conducted during nineteen hundred eighty-five or during nine-
26 teen hundred eighty-six, whichever is less, [in lieu of the tax rates
27 set forth in subdivision one of this section the applicable pari-mutuel
28 tax rates for such association or corporation with respect to on-track
29 pari-mutuel betting pools during such year shall be as follows:

30 (i) For such an association or corporation authorized to operate in
31 Westchester or Nassau county: of total daily on-track pools resulting
32 from regular bets, three and seventy-five hundredths percent of the
33 first five hundred thousand dollars comprising such pools and five and
34 twenty-five hundredths percent of the amount in excess of five hundred
35 thousand dollars, plus fifty percent of the breaks; of total daily
36 on-track pools resulting from multiple bets, four and seventy-five
37 hundredths percent of the first three hundred thousand dollars compris-
38 ing such pools and six and twenty-five hundredths percent of the amount
39 in excess of three hundred thousand dollars, plus fifty percent of the
40 breaks; of total daily on-track pools resulting from exotic bets, eight
41 and seventy-five hundredths percent of the first two hundred thousand
42 dollars comprising such pools, and ten and twenty-five hundredths

45 from super exotic bets, seven percent, plus fifty percent of the breaks;

51 multiple bets, two percent, plus fifty percent of the breaks; of total
52 daily on-track pools resulting from exotic bets, six and one-half
53 percent, plus fifty percent of the breaks; and of total daily on-track
54 pools resulting from super exotic bets, seven percent, plus fifty

1 b. The provisions of this subdivision shall not apply to an associ-
2 ation or corporation for any calendar year for which the commission
3 certifies to the commissioner of taxation and finance:

4 (i) by December fifteenth of the year immediately preceding such year,
5 that such association or corporation has been assigned for such year,
6 from the programs and races it requested, at least the minimum number of
7 programs and races prescribed in paragraph a of this subdivision, or, if
8 fewer than such number were assigned for such year, that the assignment
9 of such lesser number was for] unless such association or corporation
10 demonstrates to the satisfaction of the commission good cause due to
11 factors beyond the control of such association or corporation or because
12 the commission [found] finds that it would be uneconomical or impracti-
13 cal for such association or corporation to be assigned or conduct the
14 prescribed number[; and

15 (ii) by January thirty-first of the year immediately subsequent to
16 such year, that such association or corporation did conduct such number
17 of programs and races as were certified pursuant to subparagraph (i) of
18 this paragraph, or if it failed to conduct such number that such failure
19 was for good cause due to factors beyond its control or because the
20 commission found it uneconomical or impractical for such association or
21 corporation to conduct such a number.

22 c. For any calendar year for which the commission does not certify
23 pursuant to the provisions of subparagraph (i) of paragraph b of this
24 subdivision with respect to an association or corporation, the tax
25 imposed by this section shall be computed by substituting the provisions
26 of paragraph a of this subdivision for the provisions of paragraph a or
27 b, whichever is applicable, of subdivision one of this section and shall
28 pay the tax so computed to the commissioner of taxation and finance. In
29 such computation and payment, all other provisions of this section shall
30 apply as if the provisions of this paragraph and of paragraph a of this
31 subdivision had been incorporated in whole in paragraph a or b, whichev-
32 er is applicable, of subdivision one of this section.

33 d. For any calendar year for which the commission does not certify
34 pursuant to the provisions of subparagraph (ii) of paragraph b of this
35 subdivision with respect to an association or corporation, the tax
36 required to be paid hereunder for such year shall be equal to the
37 difference between the tax imposed pursuant to the provisions of para-
38 graph a of this subdivision and the tax imposed pursuant to the
39 provisions of paragraph a or b, whichever is applicable, of subdivision
40 one of this section, less one-half of such difference in recognition of
41 purses that were required to be paid, plus an additional amount equal to
42 ten percent of such tax in the event of a willful failure to comply with
43 the provisions of subparagraph (ii) of paragraph b of this subdivision
44 and such association or corporation shall pay the tax so computed to the
45 commissioner of taxation and finance on or before March fifteenth of the
46 following year. Notwithstanding the provisions of this subdivision, in
47 the event that upon appeal from the determination of the commission that
48 the certification provided in paragraph b of this subdivision will not
49 be made, it is finally determined that the commission erred in failing
50 to so certify and that any moneys received by the commissioner of taxa-
51 tion and finance under paragraph c of this subdivision were paid in
52 error, the same shall be refunded at the rate of interest of six percent
53 per annum. Payment of such tax due, or the anticipation of such payment,
54 shall not affect the determination of purses in the year in which such
55 tax arises or in the year in which such payment is made nor shall such

1 payment in any other manner be considered in any statutory or contractu-
2 al calculation of purse obligations.

3 e. Written notice of the certification of the commission pursuant to
4 the provisions of paragraph b of this subdivision shall be given by the
5 commission to the applicable association or corporation by the dates
6 therein specified. In like manner, written notice that such certif-
7 ication will not be made shall be given by the commission to the commis-
8 sioner of taxation and finance and the applicable association or corpo-
9 ration by such dates].

10 § 5. Subdivision 1 of section 418 of the racing, pari-mutuel wagering
11 and breeding law, as amended by chapter 243 of the laws of 2020, is
12 amended to read as follows:

13 1. Every association or corporation authorized under [sections two
14 hundred twenty-two through seven] section four hundred five of this
15 [chapter] article to conduct pari-mutuel betting at a quarter horse race
16 meeting on races run thereat shall distribute all sums deposited in any
17 pari-mutuel pool to the holders of winning tickets therein provided such
18 tickets be presented for payment before April first of the year follow-
19 ing the year of their purchase, less seventeen percent of the total
20 deposits in pools resulting from regular on-track bets and less nineteen
21 percent of the total deposits in pools resulting from multiple bets and
22 less twenty-five percent of the total deposits in pools resulting from
23 exotic on-track bets[, plus the breaks]. "Multiple bet" or "multiple
24 wager" shall mean a single bet or wager on two horses, evidenced by a
25 single ticket and representing an interest in a single betting pool.
26 "Exotic bet" or "exotic wager" shall mean a single bet or wager on three
27 or more horses, evidenced by a single ticket and representing an inter-
28 est in a single betting pool. [The breaks for regular bets and multiple
29 bets are hereby defined as the odd cents over any multiple of ten or for
30 exotic bets, over any multiple of fifty calculated on the basis of one
31 dollar and otherwise payable to a patron.] Of the sum so retained [the
32 applicable tax rates for regular bets shall be three percent; the appli-
33 cable tax rates for multiple bets shall be three and one-half percent;
34 the applicable tax rates for exotic bets] there shall be eight percent,
35 plus sixty-five percent of the amount of the breaks from on-track regu-
36 lar, multiple and exotic bets shall be paid by such corporation or asso-
37 ciation to the department of taxation and finance as a reasonable tax by
38 the state for the privilege of conducting pari-mutuel betting on the
39 races run at the quarter horse race meetings held by such corporation or
40 association, which tax is hereby levied, [and the balance of the
41 retained percentage of such pool and of the breaks may be held by such
42 corporation or association for its own use and purposes] in the applica-
43 ble percentage set forth in subdivision one of section one hundred thir-
44 ty-six of this chapter. The payment of such state tax shall be made to
45 the department of taxation and finance at such regular intervals as the
46 department of taxation and finance may require, and shall be accompanied
47 by a report under oath showing the total of all such contributions
48 together with such other information as the department of taxation and
49 finance may require. A penalty of five percent and interest at the rate
50 of one percent per month from the date the report is required to be
51 filed to the date of payment of the tax shall be payable in case any tax
52 imposed by this section is not paid when due. If the department of taxa-
53 tion and finance determines that any moneys received under this section
54 were paid in error, it may cause the same to be refunded without inter-
55 est out of any moneys collected thereunder, provided an application
56 therefor is filed with it within one year from the time the erroneous

1 payment was made. Such taxes, interest and penalties when collected,
2 after the deduction of refunds of taxes erroneously paid, shall be paid
3 by the department of taxation and finance into the general fund of the
4 state treasury. [Ten percent of the breaks shall be paid to the New York
5 state quarter horse breeding and development fund.]

6 § 6. Subdivisions 1, 5, 7 and 8 of section 527 of the racing, pari-mu-
7 tuel wagering and breeding law, as amended by chapter 18 of the laws of
8 2008, the opening paragraph of subdivision 1 and subdivision 5 as
9 amended by chapter 243 of the laws of 2020, are amended to read as
10 follows:

11 1. The disposition of the retained commission from pools resulting
12 from regular, multiple or exotic bets, as the case may be, whether
13 placed on races run within a region or outside a region, conducted by
14 racing corporations, harness racing associations or corporations, quar-
15 ter horse racing associations or corporations or races run outside the
16 state shall be governed by the tables in paragraphs a and b of this
17 subdivision. [The rate denominated "state tax"] There shall [represent
18 the rate of] be paid by each regional corporation conducting off-track
19 betting, as a reasonable tax imposed upon the retained commission for
20 the privilege of conducting off-track pari-mutuel betting, which tax is
21 hereby levied [and], a percentage of all money wagered on live races
22 through such corporation, which shall be payable in the manner set forth
23 in this section and in subdivision one of section one hundred thirty-six
24 of this chapter. Each off-track betting corporation shall pay to the
25 commission as a regulatory fee, which fee is hereby levied, six-tenths
26 of one percent of the total daily pools of such corporation. Each corpo-
27 ration shall also pay twenty percent of the breaks derived from bets on
28 out-of-state harness races and fifty percent of the breaks derived from
29 bets on all other out-of-state races to the agriculture and New York
30 State horse breeding and development fund and to the thoroughbred breed-
31 ing and development fund, the total of such payments to be apportioned
32 fifty percent to each such fund. For the purposes of this section, the
33 New York city, Suffolk, Nassau, and the Catskill regions shall consti-
34 tute a single region and any thoroughbred track located within the Capi-
35 tal District region shall be deemed to be within such single region. A
36 "regional meeting" shall refer to either harness or thoroughbred meet-
37 ings, or both, except that a franchised corporation shall not be a
38 regional track for the purpose of receiving distributions from bets on
39 thoroughbred races conducted by a thoroughbred track in the Catskill
40 region conducting a mixed meeting. With the exception of a harness
41 racing association or corporation first licensed to conduct pari-mutuel
42 wagering at a track located in Tioga, Saratoga or Westchester county
43 after January first, two thousand five, racing corporations first
44 licensed to conduct pari-mutuel racing after January first, nineteen
45 hundred eighty-six or a harness racing association or corporation first
46 licensed to conduct pari-mutuel wagering at a track located in Genesee
47 County after January first, two thousand five, and quarter horse tracks
48 shall not be "regional tracks"; if there is more than one harness track
49 within a region, such tracks shall evenly divide payments made pursuant
50 to the tables in paragraphs a and b of this subdivision when neither
51 track is running. In the event a track elects to reduce its retained
52 percentage from any or all of its pari-mutuel pools, the payments to the
53 track holding the race and the regional track required by paragraphs a
54 and b of this subdivision shall be reduced in proportion to such
55 reduction. Nothing in this section shall be construed to authorize the

1 conduct of off-track betting contrary to the provisions of section five
2 hundred twenty-three of this article.

38 d. For the portion of the Western region included within a thorough-
39 bred special betting district and not within a harness special betting
40 district, when no thoroughbred race meeting is conducted by a racing
41 corporation located within such thoroughbred special district, the
42 distribution of the retained commission to "regional tracks" by such
43 regional corporation derived from wagers placed within such special
44 betting district shall be divided as follows:

45 (i) when a harness corporation located in such district is conducting
46 a meet the full amount to such harness corporation; and when a harness
47 corporation in the region but not located in such district is conducting
48 a meet, forty percent to the thoroughbred racing corporation and sixty
49 percent to the harness corporation conducting a meet;

50 (ii) when no racing is being conducted, forty [per centum] percent to
51 the thoroughbred racing corporation and the balance divided equally
52 between the harness racing corporations located in such region; and

53 (iii) when no racing is being conducted and no more than one harness
54 racing association is licensed during the calendar year to conduct a
55 race meeting, fifty [per centum] percent to the thoroughbred racing

1 corporation and fifty [per centum] percent to the harness racing associ-
2 ation located in such region.

3 e. For the portions of the Capital District, Catskill, Central and
4 Western regions included within a harness racing special betting
5 district, except those portions described in paragraph e of this subdi-
6 vision, the harness track located in such special district shall be the
7 "regional track" for the purposes of the distributions made pursuant to
8 paragraphs a and b of this subdivision.

9 f. For the portions of the Catskill, Central and Western regions
10 included in both a thoroughbred special betting district and a harness
11 special betting district, the distribution of the retained commission to
12 "regional tracks" by such regional corporations derived from wagers
13 placed within such portions of such regions shall be divided as follows:

14 (i) when a harness corporation located in the harness special betting
15 district is conducting a meet and no thoroughbred race meeting is being
16 conducted by a racing corporation located in the thoroughbred special
17 betting district, the full amount to such harness association;

18 (ii) when a thoroughbred corporation located in the thoroughbred
19 special betting district is conducting a meet and no harness race meet-
20 ing is being conducted by a harness association located in the harness
21 special betting district, the full amount to such thoroughbred corpo-
22 ration;

23 (iii) when no racing is being conducted the amount to be divided even-

33 (i) for the betting region composed of the New York city, Suffolk and
34 Nassau regions and the portion of the Catskill region outside a special
35 betting district: when both harness and thoroughbred meets are in
36 progress in such betting region, the balance to the association or
37 corporation holding the same type of meet as the out-of-state race; when
38 only a harness meet is in progress in such betting region, the balance
39 to the harness track operator; when only a thoroughbred meet is in
40 progress in such betting region, the balance to the thoroughbred track
41 operator; when no meet is in progress, fifty [per centum] percent of the
42 balance to the franchised corporation and the remainder divided among
43 harness racing corporations or associations within such betting region;

44 (ii) for the Capital District region and the portion of the Western
45 region outside a special betting district: when a harness meet is in
46 progress in such region and a thoroughbred meet is in progress outside a
47 special betting district, the balance to whichever operator is conduct-
48 ing the same type of meet as the out-of-state race; when no harness meet
49 is in progress, the balance to the racing association outside a special
50 betting district; and when no meet is in progress within such region and
51 no thoroughbred meet is in progress outside a special betting district,
52 fifty [per centum] percent of the balance to the racing association

56 special betting district but not within a harness special betting

1 district: when a harness meet and a thoroughbred meet are in progress
2 within such region and the district, the balance to the association or
3 corporation conducting the same type of meet as the out-of-state or
4 out-of-region race; when a harness meet is in progress in such region
5 but no thoroughbred meet is in progress in the special betting district,
6 the balance to the harness track operator within such region; when only
7 a thoroughbred meet is in progress in such betting region, the balance
8 to the thoroughbred track operator; and when no meet is in progress
9 within such region the balance is divided, forty [per centum] percent to
10 the thoroughbred racing corporation within the district and the remain-
11 der divided between the harness racing associations or corporations
12 within the region provided, however, that if no more than one harness
13 racing association or corporation is licensed to conduct a race meeting,
14 fifty [per centum] percent to the thoroughbred racing corporation within
15 the district and fifty [per centum] percent to the licensed harness
16 racing association within the region;

8 amended to read as follows:

9 1. Notwithstanding any other provision of law, each regional off-track
10 betting corporation, or off-track betting operator, including the New
11 York city off-track betting corporation, conducting off-track betting
12 shall impose a surcharge of five percent on the portion of pari-mutuel
13 wagering pools distributable to persons having placed bets at off-track
14 betting facilities located within such region. The revenues derived from
15 such surcharge[, plus the breaks,] shall be held separate and apart from
16 any amounts otherwise authorized to be retained from pari-mutuel pools.
17 Such surcharge is hereby levied subject to the conditions set forth in
18 this subdivision and article ten of this chapter.

19 3. The revenues received from any surcharge imposed by subdivision one
20 of this section[, plus the breaks,] shall be distributed monthly, as
21 follows:

22 a. fifty percent to such city, or to the counties and cities entitled

30 (ii) where the track conducting the race on which the bet was placed
31 is not located within a city with a population in excess of one hundred

33 (iii) where the track conducting the race on which the bet was placed
34 is located partially within a city with a population in excess of one
35 million and partially within a county, twenty-five percent of such
36 balance to the city and the remainder to the county;

37 (iv) where the track conducting the race on which the bet was placed
38 is located outside the state, in the same manner as described in para-
39 graph a of this subdivision;

40 (v) where the track conducting the race is located in a thoroughbred
41 special betting district and is simulcasting pursuant to section one

44 county in which such track is located; and

45 (vi) for the period of September first, two thousand twenty-two until
46 August thirty-first, two thousand twenty-seven and where the track
47 conducting the race on which the bet was placed is a harness track
48 located in the county of Erie, to such track.

49 3-a. Such five [per centum] percent surcharge herein provided is here-
50 by increased by a supplemental one [per centum] percent surcharge on the
51 portion of pari-mutuel wagering pools of multiple, exotic and super
52 exotic bets distributable to persons having placed bets at off-track
53 betting facilities to be distributed in accordance with the provisions
54 of section five hundred nine-a or six hundred nine-a of this chapter,
55 whichever may be applicable to the corporation with which such bets
56 originated.

1 6. Notwithstanding any provision herein or in section one thousand
2 nine of this chapter to the contrary where the track conducting the race
3 is a thoroughbred track located in the Catskill region conducting a
4 mixed meeting such surcharge shall be collected on all wagers placed in
5 branch offices or simulcast theaters of a regional off-track betting
6 corporation. The revenues received from any such surcharge imposed in
7 accordance with this section [plus the breaks] shall be distributed
8 monthly as follows:

9 a. one-fifth to the county in which such track is located;

10 b. three-fifths to a regional track located in the region in which the
11 bet is placed in accordance with provisions of section five hundred
12 twenty-seven of this article, one-half thereof to be used for purses at
13 such regional track, except that in any region containing two or more
14 regional tracks such tracks shall be entitled to an equal share;

15 c. one-fifth to be retained by the off-track betting operator with
16 whom such bet originated as operating revenues.

17 § 8. Paragraph c of subdivision 1 of section 904 of the racing, pari-
18 mutuel wagering and breeding law, as amended by chapter 243 of the laws
19 of 2020, is amended to read as follows:

20 c. Every association and corporation shall distribute all sums depos-

22 providing such tickets be presented for payment before April first of
23 the year following the year of their purchase, less an amount that it
24 shall retain at the same rate established by the sending track [plus the
25 breaks].

26 § 9. Paragraph c of subdivision 2 and subdivision 4 of section 905 of
27 the racing, pari-mutuel wagering and breeding law, paragraph c of subdi-
28 vision 2 as amended by chapter 243 of the laws of 2020, subdivision 4 as
29 amended by section 15 of part F3 of chapter 62 of the laws of 2003 and
30 such section as renumbered by chapter 18 of the laws of 2008, are
31 amended to read as follows:

32 c. If different retention or breakage rates than those prevailing at
33 the site of the New York interface are prescribed by the laws governing
34 such out-of-state or foreign betting operator, and the commission is
35 satisfied that it would not be contrary to the public interest to accept
36 such wagers for combination with New York wagers, calculations of the
37 current odds and final pay-off prices shall be made as follows:

38 (i) All New York state and out-of-state and foreign wagers of the same
39 type shall be combined into single pools for calculation.

40 (ii) As many tentative payout prices as there are different retention
41 and breakage rates applicable (including the prevailing New York
42 retention rate) shall be calculated on the basis of returning the appro-
43 priate rate of return, less breaks after imposition of each such rate of
44 retention and breaks.

45 (iii) To each such out-of-state or foreign operator shall be allocated
46 an amount sufficient for it to pay the appropriate pay-off to holders of
47 winning wagers placed with it together with the applicable retention
48 amount on its total wagers.

49 (iv) To each New York operator shall be allocated an amount sufficient
50 for it to pay the appropriate pay-off to holders of winning wagers
51 placed with it together with the applicable New York retention amount on
52 its total wagers.

53 (v) The total amount of the combined pool less the combined total of
54 all allocations as determined in subparagraphs (iii) and (iv) of this
55 paragraph shall be credited to a special breakage account. The amount in
56 such account giving appropriate weight to rates established for breakage

1 shall be allocated as breaks among all operators in the combined pool in
2 accordance with the rules and regulations of the commission. Should a
3 minus pool eventuate in which the total combined pool is insufficient to
4 reimburse each operator for the allocation due to it then the allocation
5 due to each such operator shall be reduced as may be appropriate and
6 such operator shall be responsible for satisfying its liability from its
7 own operating capital.

8 4. In those instances in which the retention rates of the out-of-state
9 track are different from the retention rates authorized in this section,
10 distribution to each of the entities entitled to receive payment under
11 section five hundred twenty-seven or article ten of this chapter after
12 payment of state taxes and regulatory fees shall be adjusted proportion-
13 ately in an appropriate manner to account for higher or lower retention
14 rates. For purposes of determining payment on out-of-state wagers the
15 retention rate shall be the amount sufficient to pay holders of winning
16 wagers plus any payments required to be made to the out-of-state track
17 which exceeds two [per centum] percent of handle.

18 § 10. Paragraph a of subdivision 3 of section 1007 of the racing,

20 laws of 2020, is amended to read as follows:

21 a. Of the sums retained by the receiving track from simulcast pools
22 the pari-mutuel tax shall be levied at the [lower of the pari-mutuel
23 tax] rate [in effect on December thirty-first, nineteen hundred ninety-
24 three at the receiving track, plus ten percent of the breaks or the
25 following rates: two percent of simulcast pools generated by regular
26 wagers, two and one-half percent of simulcast pools generated by multi-
27 ple wagers, and seven percent of simulcast pools generated by exotic and
28 super exotic wagers, plus ten percent of the breaks] set forth in subdivi-
29 vision one of section one hundred thirty-six of this chapter.

30 § 11. Paragraph a of subdivision 4 of section 1009 of the racing,
31 pari-mutuel wagering and breeding law, as amended by chapter 243 of the
32 laws of 2020, is amended to read as follows:

33 a. Of the sums retained by the operator as provided in this subdivi-
34 sion, the pari-mutuel tax shall be levied at the [following rates plus
35 twenty percent of the breaks: from wagers on thoroughbred races, eight-
36 tenths of one percent of pools generated from regular wagers; one and
37 three-tenths percent of pools generated from multiple wagers; two and
38 eight-tenths percent of pools generated from exotic wagers; and three

44 forth in subdivision one of section one hundred thirty-six of this chap-
45 ter.

48 laws of 2020, is amended to read as follows:

49 i. Any facility authorized to accept wagers on out-of-state tracks
50 shall distribute all sums deposited in any pari-mutuel pool to the hold-
51 ers of winning tickets therein, provided such tickets are presented for

53 purchase less eighteen percent of the total deposits in pools resulting
54 from regular bets, less twenty-one percent of the total deposits in
55 pools resulting from multiple bets, less twenty-six percent of the total

1 the total deposits in pools resulting from super exotic bets [plus the
2 breaks as defined in section two hundred thirty-six of this chapter]
3 except that the retention rates and breaks shall be as prescribed by

6 chapter.

7 (1) Of the sum so retained, the applicable tax rate shall be [one and
8 one-half percent of all such wagers plus fifty percent of the breaks;
9 provided, however, fifty percent of the breaks accruing from off-track

23 (3) Of the sum so retained, two percent of all wagers shall be paid to
24 a franchised corporation to be used exclusively for the purpose of
25 increasing purses, including stakes, premiums and prizes, provided
26 further that such amount shall not exceed the amount paid to such non-
27 profit racing association in nineteen hundred ninety-three from wagers
28 placed on out-of-state tracks on a day when no racing was being
29 conducted by the non-profit racing association and a racing program was
30 being conducted by a thoroughbred racing corporation located in the
31 state. The excess, if any, shall be paid to a thoroughbred racing corpo-

PART Y

11 Section 1. Paragraph (a) of subdivision 1 of section 1003 of the
12 racing, pari-mutuel wagering and breeding law, as amended by section 1
13 of subpart B of part FF of chapter 59 of the laws of 2025, is amended to
14 read as follows:

15 (a) Any racing association or corporation or regional off-track
16 betting corporation, authorized to conduct pari-mutuel wagering under
17 this chapter, desiring to display the simulcast of horse races on which
18 pari-mutuel betting shall be permitted in the manner and subject to the
19 conditions provided for in this article may apply to the commission for
20 a license so to do. Applications for licenses shall be in such form as
21 may be prescribed by the commission and shall contain such information
22 or other material or evidence as the commission may require. No license
23 shall be issued by the commission authorizing the simulcast transmission
24 of thoroughbred races from a track located in Suffolk county. The fee
25 for such licenses shall be five hundred dollars per simulcast facility
26 and for account wagering licensees that do not operate either a simul-
27 cast facility that is open to the public within the state of New York or
28 a licensed racetrack within the state, twenty thousand dollars per year
29 payable by the licensee to the commission for deposit into the general
30 fund. Except as provided in this section, the commission shall not
31 approve any application to conduct simulcasting into individual or group
32 residences, homes or other areas for the purposes of or in connection
33 with pari-mutuel wagering. The commission may approve simulcasting into
34 residences, homes or other areas to be conducted jointly by one or more
35 regional off-track betting corporations and one or more of the follow-
36 ing: a franchised corporation, thoroughbred racing corporation or a
37 harness racing corporation or association; provided (i) the simulcasting
38 consists only of those races on which pari-mutuel betting is authorized
39 by this chapter at one or more simulcast facilities for each of the
40 contracting off-track betting corporations which shall include wagers
41 made in accordance with [section] sections one thousand fifteen, one
42 thousand sixteen and one thousand seventeen of this article; provided
43 further that the contract provisions or other simulcast arrangements for
44 such simulcast facility shall be no less favorable than those in effect
45 on January first, two thousand five; (ii) that each off-track betting
46 corporation having within its geographic boundaries such residences,
47 homes or other areas technically capable of receiving the simulcast
48 signal shall be a contracting party; (iii) the distribution of revenues
49 shall be subject to contractual agreement of the parties except that
50 statutory payments to non-contracting parties, if any, may not be
51 reduced; provided, however, that nothing herein to the contrary shall
52 prevent a track from televising its races on an irregular basis primari-
53 ly for promotional or marketing purposes as found by the commission. For
54 purposes of this paragraph, the provisions of section one thousand thir-

1 teen of this article shall not apply. Any agreement authorizing an
2 in-home simulcasting experiment commencing prior to May fifteenth, nine-
3 teen hundred ninety-five, may, and all its terms, be extended [until
4 June thirtieth, two thousand twenty-six]; provided, however, that any
5 party to such agreement may elect to terminate such agreement upon
6 conveying written notice to all other parties of such agreement at least
7 forty-five days prior to the effective date of the termination, via
8 registered mail. Any party to an agreement receiving such notice of an
9 intent to terminate, may request the commission to mediate between the
10 parties new terms and conditions in a replacement agreement between the
11 parties as will permit continuation of an in-home experiment [until June
12 thirtieth, two thousand twenty-six]; and (iv) no in-home simulcasting in
13 the thoroughbred special betting district shall occur without the
14 approval of the regional thoroughbred track.

15 § 2. Subparagraph (iii) of paragraph d of subdivision 3 of section
16 1007 of the racing, pari-mutuel wagering and breeding law, as amended by
17 section 2 of subpart B of part FF of chapter 59 of the laws of 2025, is
18 amended to read as follows:

19 (iii) Of the sums retained by a receiving track located in Westchester
20 county on races received from a franchised corporation, for the period
21 commencing January first, two thousand eight [and continuing through
22 June thirtieth, two thousand twenty-six], the amount used exclusively
23 for purses to be awarded at races conducted by such receiving track
24 shall be computed as follows: of the sums so retained, two and one-half
25 percent of the total pools. Such amount shall be increased or decreased
26 in the amount of fifty percent of the difference in total commissions
27 determined by comparing the total commissions available after July twen-
28 ty-first, nineteen hundred ninety-five to the total commissions that
29 would have been available to such track prior to July twenty-first,
30 nineteen hundred ninety-five.

31 § 3. The opening paragraph of subdivision 1 of section 1014 of the
32 racing, pari-mutuel wagering and breeding law, as amended by section 3

39 thirtieth, two thousand twenty-six and on any day regardless of whether
40 or not a franchised corporation is conducting a race meeting in Saratoga
41 county at Saratoga thoroughbred racetrack after June thirtieth, two
42 thousand twenty-six]. On any day on which a franchised corporation has
43 not scheduled a racing program but a thoroughbred racing corporation
44 located within the state is conducting racing, each off-track betting
45 corporation branch office and each simulcasting facility licensed in
46 accordance with section one thousand seven (that has entered into a
47 written agreement with such facility's representative horsemen's organ-
48 ization, as approved by the commission), one thousand eight, or one
49 thousand nine of this article shall be authorized to accept wagers and
50 display the live simulcast signal from thoroughbred tracks located in
51 another state or foreign country subject to the following provisions:

55 1. The provisions of this section shall govern the simulcasting of
56 races conducted at harness tracks located in another state or country

1 [during] beginning with the period commencing July first, nineteen
2 hundred ninety-four [through June thirtieth, two thousand twenty-six].
3 This section shall supersede all inconsistent provisions of this chap-
4 ter.

5 § 5. The opening paragraph of subdivision 1 of section 1016 of the
6 racing, pari-mutuel wagering and breeding law, as amended by section 5

13 June thirtieth, two thousand twenty-six]. Every off-track betting corpo-
14 ration branch office and every simulcasting facility licensed in accord-
15 ance with section one thousand seven that have entered into a written
16 agreement with such facility's representative horsemen's organization as
17 approved by the commission, one thousand eight or one thousand nine of
18 this article shall be authorized to accept wagers and display the live
19 full-card simulcast signal of thoroughbred tracks (which may include
20 quarter horse or mixed meetings provided that all such wagering on such
21 races shall be construed to be thoroughbred races) located in another
22 state or foreign country, subject to the following provisions; provided,
23 however, no such written agreement shall be required of a franchised
24 corporation licensed in accordance with section one thousand seven of
25 this article:

26 § 6. The opening paragraph of section 1018 of the racing, pari-mutuel
27 wagering and breeding law, as amended by section 6 of subpart B of part
28 FF of chapter 59 of the laws of 2025, is amended to read as follows:

29 Notwithstanding any other provision of this chapter, for the period
30 commencing July twenty-fifth, two thousand one [through September
31 eighth, two thousand twenty-five], when a franchised corporation is
32 conducting a race meeting within the state at Saratoga Race Course,
33 every off-track betting corporation branch office and every simulcasting
34 facility licensed in accordance with section one thousand seven (that
35 has entered into a written agreement with such facility's representative
36 horsemen's organization as approved by the commission), one thousand
37 eight or one thousand nine of this article shall be authorized to accept
38 wagers and display the live simulcast signal from thoroughbred tracks
39 located in another state, provided that such facility shall accept
40 wagers on races run at all in-state thoroughbred tracks which are
41 conducting racing programs subject to the following provisions;
42 provided, however, no such written agreement shall be required of a
43 franchised corporation licensed in accordance with section one thousand
44 seven of this article.

55 act shall take effect [on] July 1, 2008 and sections fifty-one and

1 fifty-two of this act shall take effect as of the same date as chapter

3 § 8. Paragraph (a) of subdivision 1 of section 238 of the racing,

5 subpart B of part FF of chapter 59 of the laws of 2025, is amended to
6 read as follows:

7 (a) The franchised corporation authorized under this chapter to
8 conduct pari-mutuel betting at a race meeting or races run thereat shall
9 distribute all sums deposited in any pari-mutuel pool to the holders of
10 winning tickets therein, provided such tickets are presented for payment
11 before April first of the year following the year of their purchase,
12 less an amount that shall be established and retained by such franchised

PART Z

1 Section 1. Subdivision 1 of section 220 of the racing, pari-mutuel
2 wagering and breeding law, as amended by section 2 of part NN of chapter
3 59 of the laws of 2025, is amended to read as follows:

4 1. For the purpose of maintaining a proper control over race meetings
5 conducted pursuant to sections two hundred five and two hundred six of
6 this article, the commission shall license owners, which term shall be
7 deemed to include part-owners and lessees, trainers, assistant trainers
8 and jockeys, jockey agents, stable employees, non-publicly appointed
9 members of the board of a franchised corporation, and such other persons
10 as the commission may by rule prescribe at running races and at steeple-
11 chases, provided, however, that no such license shall be required for
12 seasonal employees hired solely to work for no longer than six weeks
13 during the summer meet at Saratoga racetrack, and any such other times
14 as race dates historically assigned to Belmont Park are conducted at the
15 Saratoga racetrack in two thousand twenty-four [and] two thousand twen-
16 ty-five and two thousand twenty-six as approved in writing by the
17 commission. In the event that a proposed licensee is other than a
18 natural person, the commission shall require by regulation disclosure of
19 the names and addresses of all owners of an interest in such entity. The
20 commission may retain, employ or appoint such officers, employees and
21 agents, as it may deem necessary to receive, examine and make recommen-
22 dations, for the consideration of the commission, in respect of applica-
23 tions for such licenses; prescribe their duties in connection therewith,
24 and fix their compensation therefor within the limitations prescribed by
25 law. Each applicant for a license shall pay to the commission an annual
26 license fee as follows: owner's license, if a renewal, fifty dollars,
27 and if an original application, one hundred dollars; trainer's license,
28 thirty dollars; assistant trainer's license, thirty dollars; jockey's
29 license, fifty dollars; jockey agent's license, twenty dollars; and
30 stable employee's license, five dollars. Each applicant may apply for a
31 two-year or three-year license by payment to the commission of the
32 appropriate multiple of the annual fee. The commission may by rule fix
33 the license fees to be paid by other persons required to be licensed by
34 the rules of the commission, not to exceed thirty dollars per category.
35 The application for the license shall be in writing in such form as the
36 commission may prescribe, and contain such information as the commission
37 may require. The commission shall henceforth cause all applicants for
38 licenses to be photographed and fingerprinted and may issue identifica-
39 tion cards to licensees. Such fingerprints shall be submitted to the
40 division of criminal justice services for a state criminal history
41 record check, as defined in subdivision one of section three thousand
42 thirty-five of the education law, and may be submitted to the federal
43 bureau of investigation for a national criminal history record check. A
44 fee equal to the actual cost of issuance shall be charged for the
45 initial issuance of such identification cards. Each such license unless
46 revoked for cause shall be for the period of no more than one, two or
47 three years, determined by rule of the commission, expiring on the
48 applicant's birth date. Licenses of non-publicly appointed members of
49 the board of a franchised corporation shall be issued without fee and
50 remain in effect for the duration of their board service. Licenses
51 current on the effective date of this provision shall not be reduced in
52 duration by this provision. An applicant who applies for a license that,
53 if issued, would take effect less than six months prior to the appli-
54 cant's birth date may, by payment of a fifty percent higher fee, receive
55 a license which shall not expire until the applicant's second succeeding
56 birth date. All receipts of the commission derived from the operation of

1 this section shall be paid by it into the state treasury on or before
2 the tenth day of each month. All officials connected with the actual
3 conduct of racing shall be subject to approval by the commission.

4 § 2. This act shall take effect immediately; provided, however, that
5 the amendments to subdivision one of section 220 of the racing, pari-mu-
6 tuel wagering and breeding law made by section one of this act shall not
7 affect the expiration of such subdivision and shall expire and be deemed
8 repealed therewith.
