

Assemblymember Harry B. Bronson's 2011 Constituent Survey

NAME: _____

PHONE NUMBER: _____

ADDRESS: _____

EMAIL: _____

1. Do you favor or oppose setting a statewide property tax cap that would limit the increase in local property taxes to no more than 2 percent per year?

Favor Oppose

6. Do you favor or oppose the STAR program, which provides a property tax exemption to New York homeowners who own and live in their own home and earn less than \$500,000?

Favor Oppose

2. Likewise, would you favor or oppose having a real property tax circuit-breaker credit in which your property taxes would be based on income rather than property value?

Favor Oppose

7. Do you favor or oppose merging some services in your town or village with that of a neighboring municipality?

Favor Oppose

3. Do you favor or oppose the idea of having legislators disclose all sources of direct and indirect income?

Favor Oppose

ADDITIONAL COMMENTS: _____

4. Do you favor or oppose the idea of establishing an independent redistricting commission that would draw maps for congressional and state legislative district lines every 10 years following the U.S. Census?

Favor Oppose

5. Do you favor or oppose passing a law that would allow same-sex couples to get married in New York State?

Favor Oppose
