Dear Neighbors:

Eastern Long Island is a unique and beautiful place, and I'm glad to have you as a neighbor. We have an abundance of open space, gorgeous beaches, and a rural character that is the envy of many.

As your representative in the State Assembly, I know that maintaining the attributes that brought us here must be a top priority. Protecting our environment and preserving our quality of life are at the top of my agenda, especially in Albany where interests sometimes conflict with our own. Our slice of heaven is safe and peaceful. I'm here to keep it that way.

As a former Riverhead Town Councilwoman, I also know that community issues and everyday government services are important. That's why my office is always open to you, and I want you to know that I'm here to assist with whatever you need. Please don't hesitate to contact me. That's why I'm here!

We enjoy life in a great place, and I want to make sure all is well with you. Stay in touch, and remember my door is always open for whatever is on your mind.

Sincerely,

Jodi Giglio
Assemblywoman, District 2
