Our nation is currently experiencing a public health crisis.

This is the first time in our nation's history where we have seen an almost complete shutdown of society as a result of an extremely contagious virus. As we continue to navigate through these trying times, it's important that we come together as a community. Please don't hesitate to call or email me, I always welcome your thoughts and concerns.

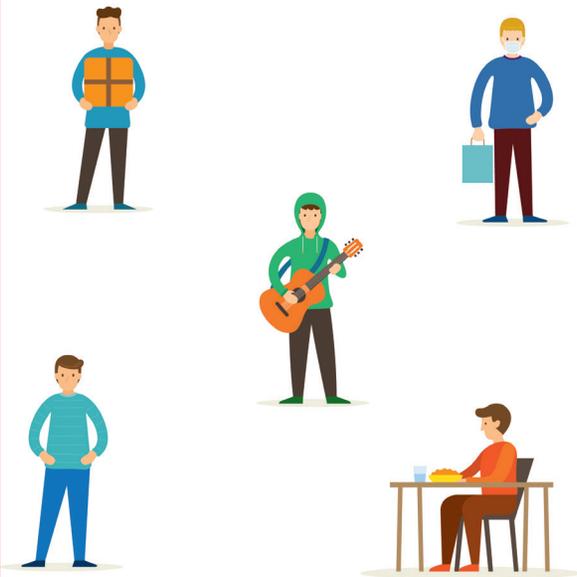

Best,

A handwritten signature in blue ink that reads "Joe DeStefano".
