As a first responder,

Assemblyman Joe DeStefano knows just how much time, dedication, and risk it takes to be on the front lines protecting our community. Suffolk County faces unique challenges, and Joe has solutions. As the representative from the 3rd Assembly District, Joe has and will continue to bring forward solutions that protect the rights of first responders, who put their lives on the line each day.

Joe supports legislation that would:

- **Designate emergency and public safety dispatchers and operators as first responders. (A.07366-A)**
- **Provide support services to volunteer certified first responders suffering from the effects of stress related to the performance of their duties. (A.04741)**
- **Authorize air transport ambulance service providers to store blood and administer blood transfusions. (A.02561-B)**
