“As the 2024 Legislation Session kicks off,

I am eager to work hard for everyone in our community and for families all across Long Island. I believe our community deserves the best, which is why I've sponsored policies that will provide real results and make it just a little easier for families and future generations to succeed.”

MY AGENDA:

Provide inflation relief for Long Islanders

No tax on gas, personal care products, household supplies and prepared meals at grocery stores. ⁽¹⁾

Repeal soft-on-crime policies

Push back on cashless bail laws by fighting for more judicial discretion to help keep offenders who pose a public safety risk off our streets. ⁽²⁾

Protect our waterways

Prohibit the application of pesticides in local freshwater wetlands, Long Island Sound and Great South Bay. ³

Increase mental health services

Ensure funding is delivered for mental health, children and youth services in the 2024-25 budget.

1 (A.1690), 2 (A.5992), 3 (A.5949, A.5569)

Public service begins with listening.

Please contact me any time – I'd love to hear from you.
