My vision for Women's Health

Support and Resources

- I supported the implementation of the first-in-nation paid prenatal leave of up to 20 hours over any 52-week period. ⁴
- To better help families during time of grief, I support paid family leave after a stillbirth. ¹

Expanded Reproductive Health Services

- I am committed to protecting women's rights to make their own health care decisions. This includes ensuring access to emergency contraception. ²

Health Insurance Coverage

- I support a proposal that would ensure coverage for prenatal vitamins to help promote a healthy pregnancy. ³
