## MAKING PUBLIC SAFETY A MAIN PRIORITY

**Every individual deserves to live in a community where they feel secure and protected. By prioritizing public safety initiatives, we can create an environment conducive to growth, prosperity, and peace of mind for all. The following are three proposals I have supported that ensure public safety is being put at the forefront:**

- ✓ Strengthen penalties for making a threat of mass violence against a school, college, university, mass gathering, business, or place of worship. (A.6383)
- ✓ Create mandatory minimum sentencing for murder. (A.6885)
- ✓ Life imprisonment without parole for murder of a police officer, peace officer, first responder or correctional officer. (A.7472)

# MAKING OUR COMM

## GIVING OUR KIDS THE BEST EDUCATION

**In this year's state budget, I voted for record-breaking school and foundation aid funding to ensure our children receive the fully funded, quality education they deserve, and I support proposals that will:**

- ✓ Increase the income eligibility threshold for the Tuition Assistance Program. (A.1889A)
- ✓ Provide universal school meals to all students. (A.1941)
- ✓ Combat student antisemitism through the "DSA Act," making it easier for Jewish students to report antisemitic hate crimes. (A.8279)

# UNITY A BETTER PLACE

## PRESERVING AND PROTECTING OUR ENVIRONMENT

**Port Jefferson is a beautiful place to live. Ed is fighting to make sure our community's beauty is protected for all residents by:**

- ✓ Prohibiting point source pollution in the Long Island Sound and Great South Bay. (A.5569)
- ✓ Prohibiting the discharge of bilge water into waters of the state. (A.5705)
- ✓ Expanded the food donation and food scraps recycling program. (A.5906A)
