FIGHTING FOR LONG ISLAND

We had a busy legislative session this year, and what we've been able to accomplish is extraordinary. These are just a few of the things I'm proud to have advocated for in the Assembly:

✔ **PROTECTING OUR ENVIRONMENT**

Committing \$400 million to the Environmental Protection Fund, and an additional \$22 million for Water Quality Improvement (A.3004-D)

✔ **PROMOTING PUBLIC SAFETY**

Provide judicial discretionary powers in crimes committed with firearms (A.1503)

✔ **AID FOR LOCAL INFRASTRUCTURE**

Our road care and Extreme Winter Recovery programs will continue to receive considerable support, and so will the reconstruction for the Oakdale Merge project (A.3004-D)

✔ **PRESERVING OUR NEIGHBORHOODS**

Provide protections for local zoning authorities in response to the governor's housing compact proposal (A.8005)

✔ **SUPPORTING LAW ENFORCEMENT**

Providing more protections for our law enforcement professionals as they work to protect us (A.2964)
