**Rebuild.
Retool.
Return.**

The COVID-19 pandemic wreaked havoc across New York State. Our children have been affected dramatically, forced into online learning for over a year, which has greatly impacted their ability to learn and grow. It is now time to *rebuild, retool, and return to school.*

Assemblyman Durso is working to return our children to the classroom by supporting:

- ✓ An increase of over \$34 million in funding for local schools¹
- ✓ Additional funding and resources for safety measures to ensure our classrooms are at 100% capacity
- ✓ An increase in funding for broadband and technology upgrades²
- ✓ Re-opening plans set forth by each individual school district
