**ASSEMBLYMAN STEVE STERN ADDRESSES HALF  
HOLLOW HILLS LEGISLATION COMMITTEE**

*Attends reception hosted by students and administration*

*Assemblyman Stern with members of the HHH PTSA Legislation Committee, elected officials, faculty and administration*

**HUNTINGTON, NY** –New York State Assemblyman Steve Stern (D-10<sup>th</sup> AD) was invited to address the annual Half Hollow Hills Parent Teacher Student Association’s (PTSA) annual Legislative Breakfast. This event, sponsored by the PTSA Legislation Committee, provides an opportunity for elected officials to speak with students, faculty and administration officials about local concerns and to share important information about critical issues in our community.

This was the first time Stern spoke with students as a member of the State Assembly and he discussed issues of importance to the students including recently passed voting reforms that allow 16 and 17 year olds to pre-register and Red Flag gun safety legislation to protect students and teachers in the classroom.

“It is always my pleasure to speak with members of the Half Hollow Hills community,” Assemblyman Stern said. “I particularly enjoy meeting the students who are so engaged in the process of government and work with their teachers and parents to have a positive influence in our community. We face difficult challenges, but with challenge comes opportunity and I am certain that these fine students and the entire Half Hollow Hills community will come together and continue to make all of us proud.”
