

A message from:
Assemblyman Steve Stern:

“We are all feeling the impact of taxes and inflation at the pump, the supermarket or as small-business owners. As we sit at our kitchen tables, wondering what bill to set aside, or what purchase to delay, these pressures are all too real. I know how these challenges affect our daily lives. That’s why I have been working hard to deliver real meaningful relief for our community.”

Assemblyman Steve Stern: Your strong voice for Cold Spring Harbor

- ✓ Accelerated middle-class tax cuts, delivering the **lowest tax rate in the last 70 years.**
- ✓ Protected homeowners by making the **New York State Property Tax Cap permanent.**
- ✓ **Delivered a Real Property Tax Rebate** for homeowners eligible for STAR and Enhanced STAR.
- ✓ **Suspended the State Gas Sales Tax** to reduce prices at the pump.
- ✓ Expanded the **Child Tax Credit and Earned Income Tax Credit.**
- ✓ **Expanded Small Business Tax Cuts** to support the businesses that are the heart of our community.
- ✓ **Increased funding for the Tuition Assistance Program** to make college more affordable.
- ✓ **Expanded the Child Care Assistance Program,** to provide help for working parents.

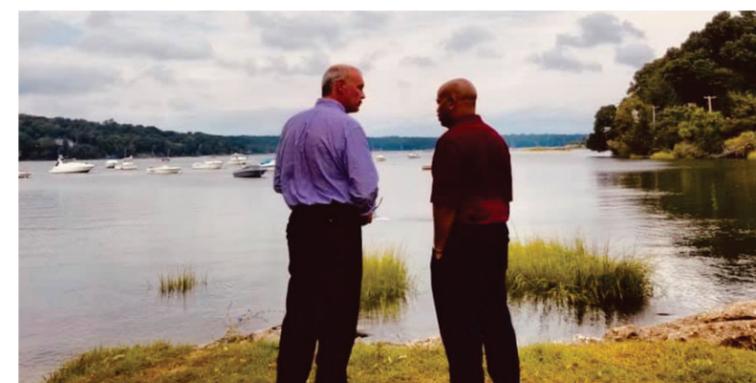

I joined with the Cold Spring Harbor Main Street Association and NYS DOT to celebrate the groundbreaking of a major downtown beautification and traffic safety project that will enhance our quality of life.

Steve Stern Delivers for Cold Spring Harbor

- ✓ **Allocated state funding for the Cold Spring Harbor School District** for vital school security initiatives to keep our children and teachers safe.
- ✓ Provided resources to renovate the **Cold Spring Harbor Junior-Senior High School Library.**
- ✓ Secured critical support for the **Cold Spring Harbor Fire Department,** supporting the heroes of our community and their mission to keep all of us safe.
- ✓ Delivered state infrastructure funds to restore the **Cold Spring Harbor Main Street and waterfront** to its natural beauty and support local business.

At beautiful Cold Spring Harbor with Assembly Speaker Heastie to discuss my efforts to protect our water and preserve our quality of life.

Assembly Speaker Heastie and I enjoyed our visit to Sweetie Pies on Main, with owner and Main Street Association President Tom Hogan.
