ASSEMBLYMAN STEVE STERN:

Always Delivers for Huntington

I am so proud to secure record funding for the Town of Huntington, including new equipment and trucks to enable the Town Highway Department to increase street re-paving projects in our neighborhoods. ¹

Additionally, as your Assembly representative, I have:

- **Secured millions in funding for sewer infrastructure in Huntington Station** to support downtown revitalization and protect our precious sole-source aquifer ²
- **Supported critical improvements at the Huntington YMCA**, including a new swimming pool and childcare center ¹
- **Introduced bi-partisan legislation to ensure Long Island receives our fair share** of transportation and infrastructure funding that our hard-working taxpayers have earned and deserve ³
- **Delivered new vehicles for the Town of Huntington Youth Bureau** to transport our children safely ⁴
- **Championed the construction of an adaptive playground at Dix Hills Park** for our children with special needs ⁵
- **Facilitated essential funding** for a new roof and kitchen at the Town of Huntington Senior Center ⁴
