

“Early detection of prostate cancer is critical, so I’m sponsoring free screenings this summer to ensure the men we love can get the care they need.”

– Assemblywoman
Kimberly Jean-Pierre

Free prostate cancer screenings

Men in the United States have a 1 in 7 chance of developing prostate cancer in their lifetime. Regular screenings can save your life by identifying cancer in its earliest stages.

Assemblywoman Jean-Pierre is sponsoring free prostate screenings in conjunction with the Prostate Care Program at Stony Brook University Hospital.
