Ways to help your neighbors this winter

Keep Your Change, Blessing in a Box Program:

Keep Your Change (KYC) is an academic support program that seeks to rebuild communities from the ground up through developing and strengthening a greater sense of self-worth. KYC is working with the Blessing in a Box program to decorate and fill personalized shoeboxes with essential items that will be delivered to nine local homeless shelters and a teen foster-care home.

Donations accepted: shoe boxes; hygiene products including soap, deodorant, toothpaste, toothbrushes, lotion, haircare products, shaving supplies and feminine products; winter wear; snacks; cosmetics; and toys including electronic devices and books for children up to age 17.

Toys for Tots:

The Marine Toys for Tots Program collects toys and distributes those toys to less fortunate children during the holidays.

Donations accepted: new, unwrapped toys

Long Island Cares:

Long Island Cares is a food bank improving food security for families, sponsoring programs that help families achieve self-sufficiency, and educating the public about the causes and consequences of hunger on Long Island.

Donations accepted: nonperishable food items

Baby Essentials of Long Island:

Baby Essentials of Long Island assists families in need with the health, welfare and development of children on Long Island.
