For any questions or concerns regarding this or other state/local issues, please feel free to reach out to my District Office: 6080 Jericho Turnpike, Suite 310, Commack, NY 11725 • 1-631-261-4151 • brownk@nyassembly.gov

I Supported Proposals To:

TACKLE the opioid/fentanyl crisis head-on and improve public safety by making all forms and doses of naloxone approved by the Food and Drug Administration available (A.10193, K. Brown, A.8075-D);

BUILD an emotionally supportive educational environment in our schools by dialing back on cellphone usage during classroom instruction (A.9687, K. Brown) and protecting children from exploitative features in online products (A.8314, K. Brown, A.8148-A, A.8149-A); and

IMPROVE water quality around Long Island by supporting bills to assist with projects involving wastewater treatment facilities and individual septic systems (Chpt. 118 of the Laws of NYS 2024), prohibit the sale of single-use plastic and polystyrene foam in state parks (A.5554), require the establishment of electronics and hazardous waste recycling programs in Nassau and Suffolk counties (A.5567) and establish the Packaging Reduction and Recycling Infrastructure Act to protect the environment overall (A.5322-D).

Next Session, I Will Work To Keep Parents Informed And Our Children Safe By Continuing Efforts To:

MONITOR the deadly fentanyl/opioid epidemic and keep such harmful substances out of the hands of children and teens; and

SHED LIGHT on the risks consistent exposure to the internet and online social media platforms can pose to our youth.
