

Every 10 years, the US Census shifts the shape of political districts so that we have a more proportional representation.

On January 1, the district represented by Dave McDonough now includes our neighborhood. For us, that is a very good thing – Dave is a great representative.

Assemblyman McDonough, a North Merrick resident, has spent his life serving our community and working to build a better Long Island. Dave is a veteran of the United States Coast Guard and the United States Air Force and has spent the last 11 years serving in the Assembly.

He is a former President of the Nassau County Council of Chambers of Commerce, served four terms as President of the Merrick Chamber of Commerce and a founding member of the Development Committee for the Merrick Downtown Revitalization.
