DAVE McDONOUGH IS FIGHTING TO MAKE LONG ISLAND MORE AFFORDABLE!

Dave shares your concerns about the burdensome cost of taxes in Nassau County. That's why he's leading the fight to reduce the cost of living by:

Reducing the state's energy tax, saving ratepayers \$200 million per year;

Delivering nearly \$1.1 billion in new state education aid, helping to ease the burden on local property taxpayers;

Promoting an end to the practice of unfunded mandates, which force local governments and school districts to raise property taxes;

Supporting a tax reduction for manufacturers to keep them in New York, creating jobs; and

Fighting for a permanent extension of the middle-class income tax cut.
