is fighting to ensure Long Island  
gets its fair share.

**Assemblyman Dave McDonough**

knows that Long Island roads, bridges and highways are in desperate need of repair.

Dave knows our local highway crews work tirelessly day and night to keep our roads and bridges safe and streets plowed.

**Now it's our time to give back to them.**

**That's why Dave fought to secure:**

- \$27 billion for statewide road, bridge, rail and airport projects
- \$438.1 million for local street and highway improvements
- \$100 million in additional funding for the PAVE NY program to improve local streets and highways

**Dave's plan to improve Long Island infrastructure:**

- Fight for more infrastructure parity between NYC and Long Island
- Increased funding to create jobs for our local highway crews
- Repair dangerous sections of the Southern State Parkway
