A special legislative message from:

Assemblyman  
**DAVE MCDONOUGH**

Inflation has reached unprecedented levels. It has increased everyday costs here on Long Island. I understand the struggles young people face trying to make a life for themselves here. From gas to energy prices — **NEW YORKERS NEED RELIEF**, now. As your assemblyman, I'm fighting to make Long Island a more affordable, economically-friendly place to live. My concern is for you and your family — nothing else.

With warm regards,  
**Assemblyman Dave McDonough**
