ASSEMBLYMAN BURROUGHS

Assemblyman Noah Burroughs Standing Up for Our Community

Delivering results you can see — from our schools and parks to our homes and hospitals. Fighting for education, opportunity, and equity in every neighborhood.

Delivering Results in Albany

Strong Schools

- Secured \$24 million in state relief for the Hempstead School District, ensuring students have the resources they need to succeed.
- Championed funding for new technology, classroom upgrades, and student support programs that close the achievement gap.
- Advocated for fair funding to ensure every child in our community regardless of ZIP code—has access to a quality education.

Supporting Communities

- Delivered over \$30 million in state funding through community and municipal grant programs.
- Secured state aid to keep staff and programming fully funded in the Malverne School District.
- Partnered with local leaders to improve parks, libraries, and public facilities that serve as the heart of our neighborhoods.

Making College Affordable

- Supported the Governor’s initiative to expand free state college tuition for New York students.
- Fought to increase TAP (Tuition Assistance Program) funding, making higher education more accessible to working families.
- Advocated for expanded student loan forgiveness for graduates entering public service careers.

NUMC State Reorganization

- Backed the appointment of a new board to implement a comprehensive reorganization plan ensuring Nassau University Medical Center can continue to provide top-quality,

affordable healthcare to all residents.

- Supports measures to stabilize operations, protect jobs, and expand patient care services across the county **(A.7095)**.

Fighting Climate Change

- Helped pass legislation **(A.4200)** setting new state infrastructure standards to cut climate pollution and reduce energy waste.
- Secured funding for green infrastructure projects that modernize public buildings, improve storm water management, and protect local shorelines from flooding.
- Promoted clean energy development to create local jobs and move Nassau County toward a more sustainable future.

Affordable Housing Development Incentive

- Supports initiatives providing state incentives for developers to build affordable, safe housing for working-class families and seniors **(A.3996)**.
- Supported programs helping first-time homebuyers and renters find stability in our community.
