

A report to the 25th Assembly District from

ASSEMBLYWOMAN NILY ROZIC

February 2013

SWEARING IN CEREMONY

On Sunday January 27th, I was honored to be sworn in as your State Assemblywoman for the 25th Assembly District! Special thanks to Senator Chuck Schumer, Congresswoman Grace Meng, Assemblymember Brian Kavanagh and Council Member Mark Weprin for speaking so generously at the event and to Townsend Harris High School for hosting the ceremony. I am thrilled for this opportunity to represent you!

PASSING THE CO-OP AND CONDO ABATEMENT

One of the first major bills passed this year was landmark legislation to provide hundreds of thousands of New York City homeowners with significant property tax relief and create new affordable housing while spurring economic development. The bill expands New York City's Condominium and Cooperative real property tax abatement program by phasing out benefits to non-primary residences and spreading the benefit to hundreds of thousands of low and middle income homeowners. I am proud to have voted in favor of transferring savings to Queens' middle class families and seniors.

SPEAKING WITH HIGH SCHOOLS LEADERS

Earlier this month, I had the opportunity to attend the Queens High School Presidents Council's Legislative Breakfast with a few of my colleagues in government. I am proud to represent my alma mater, Townsend Harris High School, as well as every other high school in the 25th Assembly District. We must continue to support and improve our schools for the next generation of leaders.

CELEBRATING OUR STUDENTS

Congratulations to Aishvarya Arora - the only Queens student selected as an Intel Science Talent Search Semi-Finalist! I joined Congresswoman Meng, Senators Addabbo and Stavisky and Assemblymember Hevesi at St. Francis Preparatory High School in Fresh Meadows to celebrate her achievements.

LAUNCHING THE ONE FLUSHING BUSINESS BOOTCAMP

I was delighted to announce the launch of One Flushing's "Business Bootcamp" program with community leaders and Senator Toby Stavisky, Assemblymember Ron Kim, and Council Member Peter Koo. This free monthly training program will provide local small business owners with the skills and resources necessary to start or grow their business.

ADDRESSING THE BAYSIDE HILLS CIVIC ASSOCIATION

At the end of January, I addressed the Bayside Hills Civic Association at their monthly meeting with Congresswoman Grace Meng and Council Member Mark Weprin.
