## **CELEBRATING NATIONAL NIGHT OUT**

On August 6th, I joined community leaders and my colleagues in government to celebrate the 30th anniversary of National Night Out Against Crime. I applaud our precincts and community councils for organizing such great events. I thank all of the hardworking officers at the 107th, 109th, and 111th precincts for continuing to keep Northeast Queens a safe place for all our neighbors!

## TAKING CHARGE IN THE COMMUNITY

I knocked on doors in Hillcrest and Fresh Meadows with my staff and volunteers to survey the tree stumps in the neighborhood. After speaking with my neighbors and recording approximately one hundred tree stumps, I have put together a report asking the Department of Parks and Recreation to replace these unsightly stumps with new trees. If you would like to request a new tree, please contact my office at 718-820-0241 or [RozicN@assembly.state.ny.us](mailto:RozicN@assembly.state.ny.us).

## CALLING FOR A COMMUNITY DIALOGUE

I stood with Senator Tony Avella, Community Board 11, the Auburndale Improvement Association and neighbors to call on the Department of Education to engage in a conversation with the local community before constructing a school on 48th Avenue between 210th Street and 211th Street. The City Council will be voting on the issue in September – please let Speaker Christine Quinn and Councilmember Brad Lander, Chair of the subcommittee voting on the issue on September 3rd, know of your opinions on the matter. Speaker Quinn can be reached at 212-788-7210, and Councilmember Lander can be reached at 718-499-1090.

## COMMEMORATING THE ADA ANNIVERSARY

I celebrated the 23rd anniversary of the signing of the Americans with Disabilities Act with Senators Toby Ann Stavisky and Jose Peralta, Assemblymember Mike Miller and members of the Queens College community. This great event was hosted by the CUNY Coalition for Students with Disabilities, a group focused on continuing to advocate for the needs of students with disabilities who attend CUNY institutions. We need to continue to support programs, like CCSD, that advocate for the rights of Americans with disabilities!
