CELEBRATING 55 YEARS IN THE COMMUNITY

On September 7th, I joined the Armenian Church of the Holy Martyrs at the Oceania Street Festival to celebrate with Rev. Fr. Abraham Malkhasyan and our community. The church offers a wide variety of services and programs, and I am proud to represent a wonderful community partner and one of the largest Armenian churches in the country!

KEEPING OUR SCHOOLS SAFE

As students return to school, traffic safety issues continue. I recently stood with Council Member James Gennaro to call for traffic calming measures on 75th Avenue in Fresh Meadows. Drivers often speed through this area, creating a hazardous situation for students on their way to school. Also earlier this month, I partnered with Congresswoman Grace Meng, Senators Toby Stavisky and Tony Avella, and Council Member James Gennaro to request that the Department of Transportation place speed cameras around P.S. 173.

HOSTING A NIGHT OF MUSIC AND FILM

I hosted a music and movie night with Council Member Peter Koo and the Queensboro Hill Civic Association in Kissena Corridor Park. Seht and the Tony O Blues Band performed, followed by a screening of the movie *Despicable Me*. I look forward to continuing this tradition next summer! Thank you to the Department of Parks and Recreation, the 109th Precinct, and to all who attended! If interested in sponsoring or volunteering at future events, please call my office at 718-820-0241.
