SECURING FUNDING FOR PUBLIC TRANSIT

I have been working extensively on improving mass transit for our underserved neighborhoods. Senator Avella and I stood with the Auburndale Improvement Association and the Bayside Hills Civic Association to announce \$500,000 in this year's state budget for a bus service restoration study in Northeast Queens. The MTA will initiate a year-long study of ways to improve bus service and restore recent service cuts in the area, providing relief to our transit starved neighborhoods!

CELEBRATING ARBOR DAY IN BAYSIDE HILLS

I kicked off my Greening Eastern Queens Initiative on Arbor Day in Bayside Hills! The initiative included a canvass and survey of sidewalks, tree pits, and malls in Bayside Hills. I will submit a report to the New York City Department of Parks and Recreation with details on each location surveyed on Arbor Day. Thank you to Senator Tony Avella, Council Member Paul Vallone, Community Board 11, the Bayside Hills Civic Association, and all of our volunteers for coming by to help!

CALLING FOR VOLUNTEERS IN FLUSHING

I am working with New York Cares and Principal Debra Cassidy on creating a mural to spruce up the playground walls at P.S. 24 in Flushing. A new mural would provide students and the entire P.S. 24 community with a recreational space to foster imagination, learning, and fun. **We will need volunteers ready, willing, able to paint so call my office at 718-820-0241 or email me at RozicN@assembly.state.ny.us if you'd like to help!!**

REOPENING THE QUEENS LIBRARY IN FRESH MEADOWS

I am happy to announce that our local library in Fresh Meadows has re-opened after being closed for renovations! Having grown up in Fresh Meadows, I understand that libraries serve as cornerstones of our community. I joined Senator Toby Stavisky and Council Members Mark Weprin and Costa Constantinides to cut the ribbon. The public library in Queensboro Hill has also re-opened after extensive renovations that include a new handicap-accessible entryway and 24-hour check-in capabilities!
