

A report to the 25th Assembly District from
**ASSEMBLYWOMAN
NILY ROZIC**

January 2016

ASSEMBLY PROPERTY TAX HEARINGS

The Assembly will hold a hearing in Manhattan on January 22nd to evaluate the City's property tax system. Queens families have been crippled by sky-high property taxes and a system that lacks accountability and transparency. I hope that local taxpayers will submit oral and written testimony or attend the hearing to help create a system that benefits our community.

BRINGING IDNYC TO BAYSIDE

I am happy to announce that together with the Mayor's Office of Immigrant Affairs and the Korean American Association of Queens, I will be sponsoring a pop-up IDNYC site at the Bayside Library from January 11th to February 5th. Interested applicants can reserve an appointment online by visiting the IDNYC website and selecting the Bayside Library location:

SUPPORTING STUDENTS AT P.S. 31

It was great visiting P.S. 31 in Bayside with Council Member Paul Vallone at the Winter Concert and Art Show. Many thanks to Principal Terri Graybow for the invitation! I have visited many of the schools in our district and believe it is critically important to speak to both students and teachers in order to best understand the challenges and needs in our schools.

PLANNING FOR THE LUNAR NEW YEAR

I am excited to announce that after joining the Flushing Chinese Business Association at the Annual Lunar New Year Parade Planning Meeting, the indoor ceremony will be held on February 8th and parade on February 13th in Flushing. I joined Assemblymember Ron Kim and State Senator Toby Ann Stavisky in welcoming everyone to celebrate good fortune and prosperity for the Year of the Monkey.

HOLIDAYS IN BAYSIDE

I celebrated the holiday season with the annual menorah lightings at Bay Terrace and in Bayside Hills. Thanks to Bayside Hills Civic Association Michael Feiner, Chabad of Northeast Queens' Rabbi Yossi Blesofsky, and the Israel Center of Conservative Judaism's Rabbi Robin Fryer Bodzin for bringing the community together for a fun evening filled with music and traditions!
