

# Get on board.

## The next search for both food & beverage and retail partners at the new LaGuardia Terminal B is kicking off!

LaGuardia Gateway Partners (LGP) is excited to launch its next Competitive Solicitation Process (CSP) for both food & beverage and retail opportunities at the new LaGuardia Terminal B, now under construction at LaGuardia Airport.

These opportunities are located within the new terminal's western concourse and will encompass a mix of categories including: coffee, quick-serve, bar, casual dining, grab and go, travel essentials, news and gifts, souvenir, duty-free and duty paid, technology, and electronics and specialty retail.

You are invited to join LGP at an important information event, featuring an overview of the CSP process, an information session for Airport Concession Disadvantaged Business Enterprises (ACDBE), and a meet and greet for small & large retailers, merchants and operators to connect and discuss opportunities to work together.
