Saturdays, October 28, November 4, 11 and 18, 2017
9:00 am to 3:00 pm
NJIT Campus
University Heights
Newark, NJ 07102**

The Regional Alliance for Small Contractors in partnership with New Jersey Institute of Technology is offering a Construction Management Certificate program. This innovative program, sponsored by NJ TRANSIT, will lead to a certificate in Construction Management and 1.6 Continuing Education Units to each student who successfully completes the course.

The objective of this program is to present and discuss the management of construction projects during their accomplishment in the field. The coursework is designed for contractors, engineers, designers and others in the construction industry. The course covers the fundamentals of construction management which includes construction cost and estimating, blueprint reading, project scheduling and contract administration.

Eligible candidates must be certified as Minority, Women, Small/Disadvantaged Business Enterprise (M/W/S/DBE) with NJ TRANSIT. All others will be considered only if space is available. In order to receive a certificate of completion, you **MUST attend all four sessions from 9:00 am to 3:00 pm.**

The registration fee is \$100 for NJ Transit M/W/S/DBE certified firms and \$150 for all others. Make checks or money orders payable to: Fund for the City of New York and mail to Regional Alliance for Small Contractors, P.O. Box 20094, PABT, New York, NY 10129 or [click here](#).

4th Annual Contract Opportunities Conference
Tuesday, October 31, 2017
9:00am - 1:00pm
[30-30 Thomson Avenue](#)
[Long Island City, NY](#)**

On October 31, 2017, the DDC will be hosting its 4th Annual Conference on Contract Opportunities. This FREE Conference is targeted to M/WBEs and will relay the contract opportunities DDC will have over the course of the next year. The Conference fosters partnerships for minority- and women-owned businesses. Small business owners will meet with exhibitors spanning the public and private sectors. This event is designed to help M/WBEs grow in an increasingly competitive business environment. Because M/WBE firms will be in attendance, this is a great opportunity for all M/WBE's, large firms, and agencies alike to network and develop partnerships.
