Dear Neighbor,

Here is your 2019 New York City Parking Calendar. It lists the days of the year that certain parking regulations are suspended throughout the five boroughs.

Throughout the year, people stop me on the street to tell me how helpful they find the New York City Parking Calendar. It saves them time, money and the headache of having their car towed. Obeying parking regulations also helps with street cleaning and reduces traffic congestion.

Be sure to read all parking signs carefully. Drive safely, remember to buckle up and please let me know if I can be of help in any matter.

Sincerely,

Rodneyse Bichotte

Alternate Side Parking or ASP (Street Cleaning Rules): Most Alternate Side Parking signs are clearly marked with the "P" symbol with the broom through it. Some signs are the traditional 3-hour ones, but others can vary considerably. Some metered parking zones have Alternate Side Parking rules. When Alternate Side Parking is suspended for a holiday or other reason, the parking meters remain in effect.

***Major Legal Holiday Rules:** The city suspends ASP rules on the legal and religious holidays listed in this brochure. No Stopping, No Standing and No Parking regulations are also suspended, except where those regulations are normally in effect seven days a week (for example: "No Standing Anytime"). Parking meter regulations are also suspended. On all other holidays, only street cleaning rules are suspended.
