NEW YORK ASSEMBLY

Supporting Our New York's Finest

“Our police officers are our city’s last line of defense and right now New Yorkers feel less safe than ever. A recent poll showed only 37% of residents feel safe in their own neighborhood.¹ Now, more than ever, it is important we give our law enforcement officers the tools they need to do their job.”

Here is a small part of what I’ve been working on to protect our police:

-  Provided the State Police with the necessary funding in the state budget to combat retail theft. (A.8804-D)
-  Strengthen parole review procedures to keep dangerous offenders off our streets. (A.5225)
-  Provide judges with more discretion to consider a defendant’s “dangerousness” when determining pre-trial release. (A.3183)
-  Supported our multi-million-dollar investment in mental health and homeless services.²
