PROTECTING WOMEN'S HEALTH CARE

In New York, women should have the right to make their own health care decisions, which is why I advocate for their autonomy in making those important choices. As your Assemblyman, I will continue to work to make women's health care more accessible and affordable.

HEALTH INSURANCE COVERAGE:

I support a proposal that reduces health care and health insurance taxes (A.6012)

BIRTH CONTROL ACCESS:

I support a proposal requiring pharmacies to stock emergency contraception (A.2732)

SUPPORT:

Supported requiring certain insurers to provide coverage for prenatal vitamins that help promote a healthy pregnancy (A.3865-A)
