# *Working Families Deserve A Break*

**Fighting For Us – Here’s how Alec is working in Albany to bring down costs for working families:**

## **Eliminate Taxes on Everyday Items**

Your family shouldn’t have to pay more just to get the basic essentials. That’s why I support an initiative to exempt everyday items like gas, household products and groceries from the state sales tax.<sup>1</sup>

## **Get Rid of Taxes on Overtime**

When you work long hours to provide for your family, you deserve to keep what you make. That’s why I back a proposal to eliminate taxes on overtime pay so you can keep more of your hard-earned money.<sup>2</sup>

## **Eliminate Taxes on Tips**

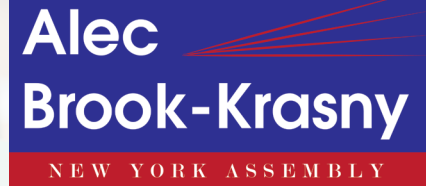

When you earn tips, you deserve to keep them. That’s why I’m supporting a policy to establish an income tax deduction for cash tips to put more money back into your pocket.<sup>3</sup>

## **Do Away with Taxes on Mobile Plans**

You shouldn’t be taxed for keeping in touch with your family and loved ones. That’s why I’m backing a proposal to eliminate the state sales, compensating use and excise taxes on cellular plans.<sup>4</sup>
