Dear Neighbor,

I hope you and your family are enjoying the holiday season and celebrating what matters most. As we enter this special time of year, I realize the economic challenges many of our families face. For some families, these burdens can be overwhelming, especially as they prepare for holiday festivities and gift-giving. I am asking for your help this year to bring some hope and joy to our friends and neighbors who are struggling the most.

Kindness and resiliency are what make us Brooklyn Strong.
