Dear Friend,

When school lets out for the summer, we can encourage our kids to continue learning by picking up a book. Reading is fun! Books can immerse children in far-off worlds, new characters and thrilling narratives. To that end, I'm sponsoring a Summer Reading Challenge, in coordination with New York State libraries, to inspire kids to read on a regular basis throughout the summer break.

This year's theme is "Libraries Rock!" Books can lead students to new summer adventures, to dream big and to discover new interests. They might even be inspired to build new bridges between cultures or to volunteer in a program to help improve the world around us. You can head to your local library or visit [www.nysl.nysed.gov/libdev/summer/explore.htm](http://www.nysl.nysed.gov/libdev/summer/explore.htm) for a list of book suggestions.

Here's how the challenge works: Mark the enclosed calendar for each day in July and August that your child reads with you, someone else or on their own. Once you have marked off 40 days or more, please return the completed form to my office, and I will award your child a New York State Excellence in Reading certificate.

Thank you, and happy reading!

Sincerely,

Jo Anne Simon  
Member of Assembly
