It's always a pleasure to support our local businesses in the North Shore especially those with such amazing food options. Vodega Deli and Grocery offers a great selection of vegan options in West Brighton and I was happy to stop by and grab lunch this week.

Updates from Albany

This week Governor Hochul announced the first-in-the-nation \$539 million Homeowner Assistance Fund to assist eligible New Yorkers at risk of foreclosure or displacement.

The New York State Homeowner Assistance Fund (NYS HAF) is a federally funded program dedicated to assisting homeowners who are at risk of default, foreclosure or displacement as a result of a financial hardship caused by the COVID-19 pandemic. Below is a breakdown of how the assistance will be disbursed.

What is the New York State Homeowner Assistance Fund (NYS HAF)?

The American Rescue Plan passed by Congress in March of 2021 provided New York with funds to help homeowners at risk of default, foreclosure, and displacement as a result of the COVID-19 pandemic. The NYS HAF program is being administered by the NY State affordable housing agency, NYS Homes & Community Renewal (HCR), in partnership with Sustainable Neighborhoods LLC, a non-profit dedicated to foreclosure prevention and homeownership preservation.

Who Will Be Eligible to Apply?

Under NYS HAF, homeowners are defined as New York State residents who own a home and occupy that home as their primary residence (meaning it is where you live for most of every calendar year). Types of eligible homeowners include:

- Mortgaged homeowners who are in a forbearance plan or were offered a forbearance plan that has expired; this may be a first and/or a second mortgage.
- Mortgaged homeowners who were not offered a forbearance plan, or missed the option to apply for one, and are considered delinquent on their first or second mortgage.
- Homeowners who are behind on payments for property taxes, water bills, or sewage bills.
- Coop or condo homeowners who are behind on monthly carrying charges such as maintenance fees or homeowner association payments.
- Homeowners who live in manufactured homes and who are behind on home loans, retail installment contracts used to purchase their homes or monthly lot rent payments.

Are there restrictions for who can apply based on income?

Homeowners whose household income is equal to or less than 100% of the Area Median Income (AMI) and who are at risk of foreclosure and/or displacement due to financial hardship as a result of the COVID-19 pandemic are eligible to apply (See chart [HERE](#)) for AMI by county and household size).

Do I need to live at the property to receive assistance?

Eligible applicants must currently own and occupy the property as their primary residence.

Can I apply if I am current on my mortgage or other housing payments?

Under the federal rules for HAF, an applicant must be at least 30 days behind on their monthly housing payments (mortgage payments, property taxes, condo or coop fees, etc.). There is one exception to this rule: If you are current on your monthly housing payments, but you are currently unemployed, you can apply for up to 6 months of future housing payments.

Can I apply if I am currently in a legal proceeding for missed housing payments?

Yes. If you are currently in foreclosure, or in another type of legal proceeding, you may still apply for assistance under the NYS HAF. Homeowners who are in active legal proceedings are encouraged to apply as soon as the program opens, and NYS HAF may also assist in connecting you to free legal services support if you are not already represented by an attorney.

If I have a mortgage, do I have to wait to get help from my bank before applying for NYS HAF?

No. You should apply for NYS HAF as soon as the application portal is open. **You should also reach out to your bank today to see what kind of COVID-19 mortgage modification may be**

available to you. NYS HAF funds can be used to make your monthly payments affordable if your loan can't be modified or if the modification offer is not affordable on its own.

For mortgaged borrowers, NYS HAF will have to coordinate with the bank or company that services your mortgage, which may add additional time to the process. The case management team will work with applicants and communicate through every step of the process to make sure that applicants know the status of their application and the expected time to complete the process.

I have a mortgage and I am still in forbearance with my bank. Should I apply for NYS HAF assistance?

Yes. You may apply for NYS HAF while you are still in forbearance.

Are land contracts considered the equivalent of mortgages?

If the applicant does not have a chattel loan or retail installment contract commonly found associated with manufactured homes, but rather a “rent-to-own” agreement on a stick-built house, they are eligible to submit a HAF application. For the purposes of HAF, we would consider this a mortgage and ask the applicant to fill out the mortgage section of the application.

When will NYS HAF Assistance be Available?

NYS HAF expects to receive significantly more applications than can be funded by the program. Applications will be processed in the order they were received. Application submission does not guarantee you will receive financial assistance.

The program will begin accepting applications January 3, 2022. Please visit <https://www.nyhomeownerfund.org/> for more information on application and list of documents you may need when you are ready to submit your application.

"Far too many New Yorkers have suffered an undue financial burden as a result of the COVID-19 pandemic. We have made strides here on the state level to ensure protection for both tenants, landlords and homeowners struggling with housing.

This federal funding is an important step to help ensure that low- and moderate-income homeowners at risk of displacement, especially those in areas historically subject to housing discrimination, can keep the heat on, water flowing, and a roof over their heads.”

4. It's important to submit an SBA Loan Application - After you apply for disaster assistance from FEMA, you may be referred to the U.S. Small Business Administration. If you are referred to SBA, you should complete and submit the application. If your application is approved, you are not obligated to accept the SBA disaster loan but failure to submit the application may disqualify you from other possible FEMA assistance, such as disaster-related car repairs, essential household items and other expenses. SBA disaster loans are the largest source of federal disaster recovery funds for survivors. In planning your recovery, give yourself the widest possible set of options. Submitting the application makes it possible for homeowners and renters to be considered for additional FEMA grants. Applicants may apply online using SBA's secure website at DisasterLoanAssistance.sba.gov or they may email DisasterCustomerService@SBA.gov for more information on SBA's disaster assistance program. Applicants may also call SBA's Customer Service Center at **800-659-2955** or email disastercustomerservice@sba.gov for more information on SBA disaster assistance.
5. **If you're a renter having trouble paying your rent, utilities, or other housing costs – or if you're a landlord trying to stay afloat with tenants in this situation – help may be available. State and local programs are distributing billions of dollars in rental assistance to help renters stay housed during the pandemic. [Visit the CFPB's Rental](#)**

FORECLOSURE PREVENTION NETWORK

Legal Services NYC DEMAND JUSTICE

Since 2007, Legal Services NYC's Foreclosure Prevention Network has assisted nearly 17,000 New York City homeowners facing foreclosure. With community-based foreclosure prevention projects in our Bronx, Brooklyn, Queens and Staten Island offices, our dedicated team of nearly 40 attorneys and advocates provide critical legal services to homeowners navigating the judicial foreclosure process and fight to help them save their homes. LSNYC Foreclosure Prevention Network partners include non-profit organizations, housing counselors, social service agencies and local government. Our advocates conduct trainings, outreach and education activities in conjunction with community and government partners.

WHAT WE DO

Legal Services NYC's Foreclosure Prevention Network attorneys represent homeowners in foreclosure as well as in state and federal court litigation challenging predatory lending, abusive mortgage servicing, scams targeting vulnerable homeowners, and fair housing and lending violations. We are the largest group of free civil legal services attorneys that help NYC homeowners by:

- Representing homeowners in court-mandated settlement conferences
- Providing legal advice and pro se assistance to homeowners through court-based clinics
- Helping clients negotiate home-saving solutions
- Advocating for fairer lending rules, and for better enforcement of laws protecting consumers from predatory practices

CLIENT SUCCESS STORY

Ms. M, a 68-year-old Black homeowner, fell one month behind on her mortgage when she had to pay for her sister's funeral expenses. For one year, her mortgage company continued to accept her payments, but then her servicing was transferred to a new company. The new mortgage company refused to accept Ms. M's payments unless she could catch up on the one missed payment. For three years, Ms. M tried to negotiate with her lender, but it refused to work with her even though she had sufficient income and was caring for her husband, who suffered from Alzheimer's disease. After being sued in foreclosure, Ms. M was able to connect with Brooklyn Legal Services, who helped her negotiate a modification with a lower interest rate and more affordable monthly payment, saving her \$300 per month on her housing expenses and allowing her family to remain in their home.

5. **The Forest Ave. Comeunity Fridge is a group from Mariners Harbor looking to help out our community with Food Insecurity.**

@FORESTAVECOMEUNITYFRIDGE

WHO ARE WE?

We are a collaborative group, born and raised on the North Shore, who are passionate about addressing the health food disparity in our neighborhood of Mariners Harbor. The foundation of our initiative is "take what you need, leave what you don't" and "we keep us fed and healthy!" – in hopes of **creating a culture of unity, interdependence, community restoration and empowerment** in Mariners Harbor.

WHAT IS A COMMUNITY FRIDGE?

A Community Fridge is a fridge that provides **free and healthy food** for community members. The fridges offer access to fresh produce, healthy grains and perishable items to communities that do not have a lot of access to healthy food options.

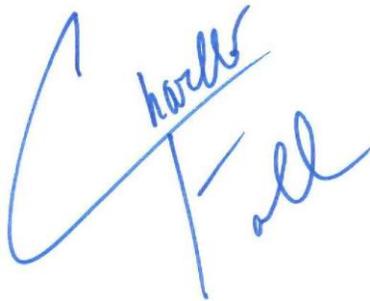

HOW CAN MY BUSINESS HELP?

Your business can help by donating surplus food to our fridge or allowing us to purchase food at reduced costs.

WHY SHOULD MY BUSINESS/ORGANIZATION CARE ABOUT A COMMUNITY FRIDGE?

In recent political and racial events, many businesses and organizations are looking for ways to fight against racial inequity. Community fridges represent mutual aid – the idea that solidarity not charity is what communities need in order to become fairer and stronger. By donating food to our fridge, your business will be taking part in our ongoing movement for creating justice – first within our communities.
