Introduced legislation to protect police officers, correction officers, and firefighters, as well as their families, from unnecessary harassment as a result of the repeal of 50-a. (Bill number pending)

Introduced legislation that would make it a Class D Felony when an individual is resisting arrest when already being taken into custody for a felony crime. (Bill number pending)

Supports legislation that would make it a Class E Felony when an individual spits on or throws a liquid substance at or on a police officer, as well as pushing, shoving, and kicking to impede with the officer's performance of official duties. (A.8527)
