Assemblyman Sam Pirozzolo

A Year in Review...

STATE ASSEMBLY

Dear Neighbor,

As my first year in the Assembly comes to a close, I wanted to personally thank you for the opportunity to serve you and our community. Staten Island is the place we all call home, and being your assemblyman is a true honor.

With the significant challenges this year has presented, I have been hard at work delivering resources and carrying our shared priorities in Albany. I was able to help secure a \$20,000 Bullet Aid grant for P.S. #30 The Westerleigh School and P.S. #69 The Daniel D. Tompkins School, a \$75,000 nonprofit grant for On Your Mark, and a \$75,000 grant for the Jewish Community Center. I love Staten Island, and I will continue to advocate for you and our community.*

I hope you and your loved ones find peace and joy this holiday season. As always, if I can be of assistance, please do not hesitate to contact my office.

Sam Pirozzolo

* K714 of 2023

◀ I visited the Todt Hill Friendship Club and spoke with some of their members. The goal of the organization is to enrich the lives of older adults by encouraging good nutrition, recreation, health education, transportation and more. It is important to keep your mind strong at every stage of life.

▶ I had the pleasure of attending RaptorFest at Schmul Park in September. Falcons, owls, hawks and much more were featured- I even befriended Montana the eagle! Thank you to NYC Parks, Urban Park Rangers, and the Freshkills Park Alliance for putting on this fun and educational event.

◀ Thank you to every vendor and Staten Islander who came out and made our first Family Fun Day an amazing success! It was a joy to witness what happens when those who care so deeply about our community come together. This culminated in a beautiful day for children with their families, and I could not be more excited to continue this event and others in the future.

▶ I was thrilled to join the MTA and New York City Transit as they unveiled their new R211 train car fleet, which is replacing a 50+ year old fleet on the Staten Island Railway. The new cars will have accessible seating, digital screens, wider doors and so much more, and will hit the rails in 2024.

For more information on any state issue, please contact me any time. I'd love to hear from you.
