# WORKING FOR A STRONGER FUTURE

I'm pleased to announce that *our efforts to delay congestion pricing have been successful!*, marking a significant step towards protecting Staten Islanders from unnecessary financial burdens. However, the fight continues as we work towards a complete repeal.

- **Repeal Congestion Pricing** (A.4660)
- **Changes to MTA Board Membership:**  
Makes sure the MTA board fairly represents all five boroughs. (A.9877)
- **Independent Forensic Audit of the MTA's finances**  
to ensure transparency and accountability. (A.9877)

## Relief for Staten Islanders doesn't stop with repealing congestion pricing. I am also fighting to:

- **Provide veterans in New York State with a tax deduction** of \$6,000. (A.8351)
- **Provide seniors across the state with needed tax relief** by increasing the income cap level for senior citizens applying for the enhanced STAR property tax exemption. (A.2769-A)
- **Provide families with tax relief** on gas, personal care products, household supplies, and groceries. (A.1690)
