MIKE'S TOP PRIORITY IS STRENGTHENING OUR PUBLIC SAFETY.

That's why he supports:

- ✓ Judicial Discretion in the bail process.
- ✓ Allow judges to determine "risk assessment" of individuals charged with dangerous crimes to determine if they should be released from jail before trial.

AND ADVOCATING FOR LEGISLATION TO:

- ✓ **Completely repeal** the sweeping criminal justice reforms enacted in 2019 and 2020 relating to cashless bail, reduced sentencing, and limits on law enforcement's ability to operate. (A.6963)
- ✓ **Give more judicial discretion** to pre-trial bail proceedings for defendants charged with serious felonies, keeping dangerous criminals off the streets. (A.4789)
- ✓ **Reduce gun crime** by adding gun crimes to the list of "qualifying offenses" that authorize judges to fix bail or remand a defendant to the custody of the sheriff. (A.7066)
- ✓ **Increase the penalty** for tampering with an electronic monitoring device being used to locate defendants and ensure their return to court. (A.4418)
- ✓ **Add any crime that results in physical injury** to the list of "qualifying offenses" that allow a judge to impose bail or deny pretrial release. (A.7772)
