FREE PAPER SHREDDING EVENT

Assemblymember Deborah Glick is partnering with **AARP** to offer a free and secure paper shredding event for the neighborhood. Safe disposal of sensitive documents helps protect your identity.

Some things you might want to bring include: bank and credit card statements, contracts, medical records, budgeting/accounting information, and junk mail with your name and address, such as credit card applications. All paper documents welcome.

Please reach out to my district office at **212-674-5153** or **glickd@nyassembly.gov** with any questions regarding this event or other concerns.
