When you enroll in an MSP, you will also automatically get Extra Help, the federal program that helps pay most of your Medicare prescription drug (Part D) plan costs.

There are two benefit levels. Each has a different income eligibility limit.

- Qualified Medicare Beneficiary (QMB)** pays for Medicare Part A premium for people who do not have enough work history to get premium free Part A. QMB also pays the Part B premium, deductibles, coinsurance and copayment. Medicaid-eligible people who qualify for QMB cannot be charged Medicare co-pays. Income Limits:

Income at or Below 138% FPL	
Single	\$1,752 per month
Couple	\$2,371 per month

- Qualified Individual (QI)** pays the Medicare Part B premium. Income Limits:

Both programs pay for the Part B Medicare Premium. If qualified, you will no longer have this premium amount deducted from your Social Security benefit.
