

The New York State Budget has passed!

I'm proud to share that the New York State Budget for this year has officially passed – and it includes several key victories for our community. From historic investments in affordable housing and public education to expanded funding for mental health services and public safety, this budget reflects our shared priorities and our ongoing fight for equity, opportunity, and justice for all New Yorkers.

Thanks to your continued advocacy and engagement, we secured funding for essential youth programs, stronger tenant protections, and major infrastructure improvements that will benefit Northern Manhattan and beyond. These wins didn't happen overnight – they're the result of tireless organizing, listening to your voices, and working collaboratively to deliver meaningful results.

In this month's newsletter, you'll find highlights from April and May, a breakdown of what's included in the state budget, updates from around the district, and ways to get involved in upcoming community events.

Bills Introduced

New Bill Introduced Mitchell-Lama Affordability and Protection Act A. 08588

Allows Mitchell-Lama buildings funded by the NYS Housing Finance Agency to access larger loans for energy-efficient upgrades while protecting tenants from steep rent increases. In return, property owners must commit to keeping the housing affordable for at least 30 more years and are limited in the profits they can make from the improvements. The bill aims to modernize housing, promote sustainability, and preserve long-term affordability.

Manny De Los Santos, MSW.
New York State Assemblymember
72nd Assembly District

Mitchell-Lama Affordability and Protection Act

I have introduced legislation to support our Mitchell-Lama residents. This bill allows buildings to access larger loans for energy-efficient upgrades--without passing the costs to residents.

¡El presupuesto del estado de Nueva York ha sido aprobado!

Me enorgullece compartir que el presupuesto del estado de Nueva York para este año ha sido aprobado oficialmente — e incluye varios logros clave para nuestra comunidad. Desde inversiones históricas en vivienda asequible y educación pública, hasta financiamiento ampliado para servicios de salud mental y seguridad pública, este presupuesto refleja nuestras prioridades compartidas y nuestra lucha continua por la equidad, las oportunidades y la justicia para todos los neoyorquinos.

Gracias a su continua defensa y participación, aseguramos fondos para programas esenciales para la juventud, protecciones más fuertes para los inquilinos y mejoras importantes en la infraestructura que beneficiarán al Norte de Manhattan y más allá. Estos logros no ocurrieron de la noche a la mañana — son el resultado de una organización incansable, de escuchar sus voces y de trabajar en colaboración para lograr resultados concretos.

En el boletín de este mes, encontrará lo más destacado de Abril y Mayo, un resumen de lo que incluye el presupuesto estatal, actualizaciones del distrito y formas de participar en los próximos eventos comunitarios.

Proyectos de Ley Presentados

Ley de Asequibilidad y Protección de Mitchell-Lama

He presentado una legislación para apoyar a nuestros residentes de Mitchell-Lama. Este proyecto de ley permite que los edificios accedan a préstamos más grandes para mejoras de eficiencia energética—sin trasladar los costos a los residentes.

Nuevo Proyecto de Ley Presentado
Ley de Asequibilidad y Protección de Mitchell-Lama
A. 08588

Permite que los edificios Mitchell-Lama financiados por la Agencia de Financiamiento de Vivienda del Estado de Nueva York accedan a préstamos más grandes para mejoras de eficiencia energética, al mismo tiempo que protege a los inquilinos de aumentos excesivos en el mantenimiento. A cambio, los propietarios deben comprometerse a mantener la vivienda asequible por al menos 30 años más y están limitados en las ganancias que pueden obtener de dichas mejoras. El proyecto de ley tiene como objetivo modernizar la vivienda, promover la sostenibilidad y preservar la asequibilidad a largo plazo.

Eventos en el Distrito y en Albany

Destacando algunos de los eventos en nuestra comunidad y en la capital del estado.

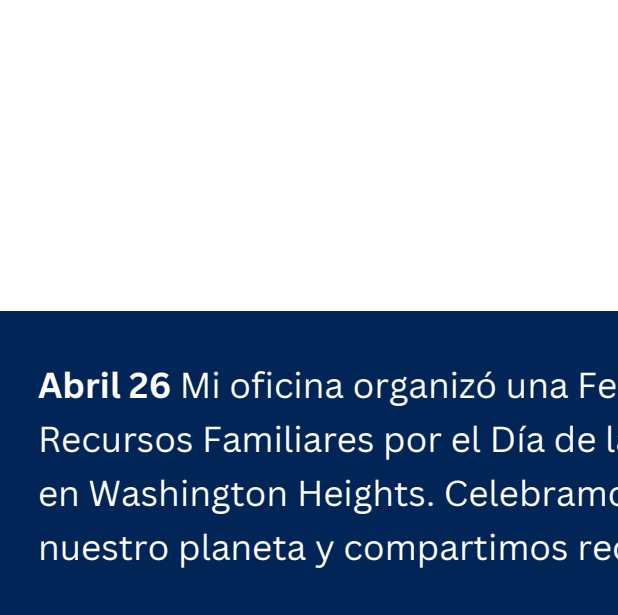

El Mes De Abril

Abril 3. Albany, NY. Estuve junto a la Gobernadora Hochul durante la firma de leyes fundamentales de seguridad sobre armas que amplían las advertencias para los consumidores, regulan los convertidores de pistolas y fortalecen la supervisión de los vendedores de municiones, con el objetivo de mantener a los neoyorquinos seguros.

Abril 9. Albany, NY. En una vigilia solemne, la Delegación Dominicana del Estado de Nueva York se unió a colegas para expresar su solidaridad con la comunidad dominicana y hacer un llamado a la rendición de cuentas, el apoyo y la sanación.

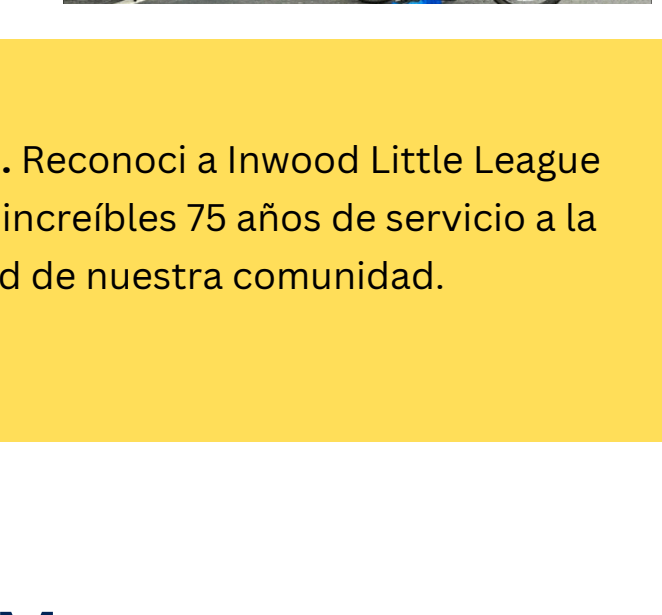

Abril 19. Me uní a la recaudación de fondos RD Nos Necesita en Inwood, donde nuestra comunidad se reunió con unidad y compasión para apoyar a las familias afectadas por la tragedia del Jet Set en la República Dominicana.

Abril 20. Asistí a la gran apertura de Best Friends Boarding NYC, un nuevo negocio de cuidado de ciudad de Washington Heights.

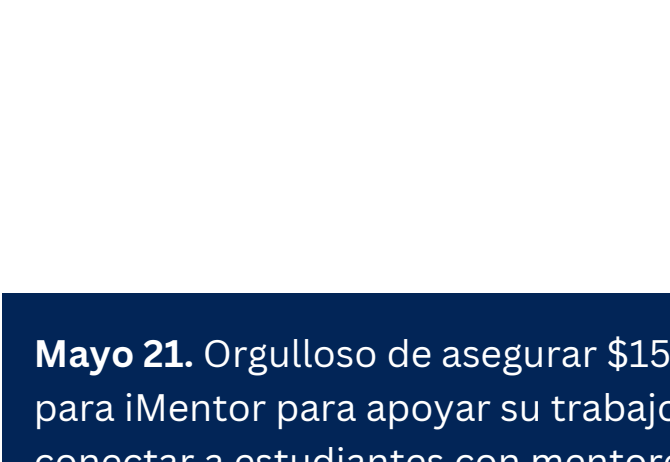

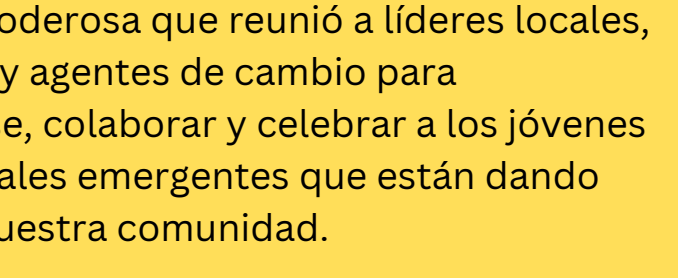

Abril 26 Mi oficina organizó una Feria de Recursos Familiares por el Día de la Tierra en Washington Heights. Celebramos nuestro planeta y compartimos recursos.

Abril 28. Reconoció a Inwood Little League por sus increíbles 75 años de servicio a la juventud de nuestra comunidad.

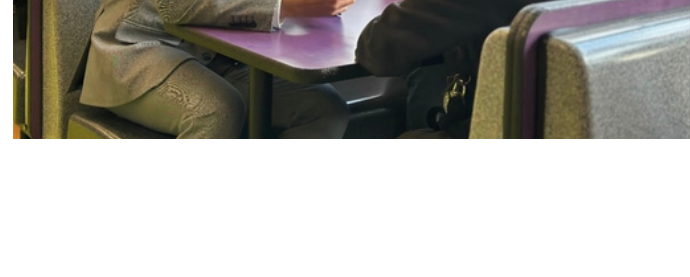

El Mes de Mayo

Mayo 4. Participé en la carrera Dyckman 5K en Inwood y entregué una proclama al Dyckman Run Club en reconocimiento a su increíble labor de construir comunidad a través del running durante más de seis años.

Mayo 16. Organicé un evento de networking para Jóvenes Profesionales de Uptown, una reunión poderosa que reunió a líderes locales, creativos y agentes de cambio para conectarse, colaborar y celebrar a los jóvenes profesionales emergentes que están dando forma a nuestra comunidad.

Mayo 21. Orgulloso de asegurar \$15,000 para iMentor para apoyar su trabajo vital de conectar a estudiantes con mentores que los empoderan con la orientación, confianza y oportunidades que necesitan para prosperar en la escuela y más allá.

Mayo 23. En celebración del Mes de las Personas Mayores, organicé una Casa Abierta en mi Oficina, reuniendo a personas mayores, organizaciones locales y miembros de la comunidad. Fue una oportunidad para que los residentes se conectaran con el Departamento de Envejecimiento, conocieran a mi equipo, interactuaran con otras organizaciones locales y hablaran directamente conmigo sobre los temas que más les importan.

Mayo 23. Me enorgullece haber asegurado \$15,000 en financiamiento para apoyar al New York Legal Assistance Group (NYLAG), que continúa brindando servicios legales vitales a nuestra comunidad. Su presencia mensual en nuestra oficina de distrito ha sido un recurso invaluable para los residentes que buscan apoyo y asesoría legal.

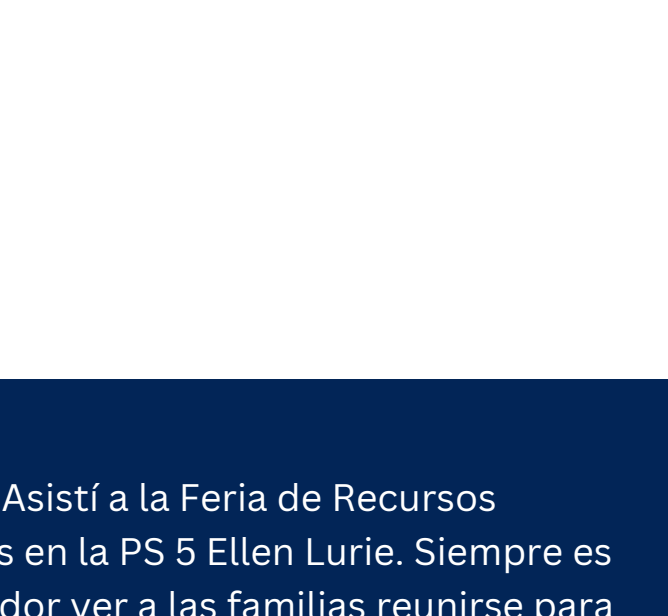

Mayo 23. Me enorgullece haber asegurado \$10,000 en financiamiento para apoyar los programas educativos del Dominican Women's Development Center. Este financiamiento ayudará a ampliar su trabajo esencial de empoderar a mujeres y familias a través de clases de alfabetización, desarrollo laboral e iniciativas educativas culturalmente sensibles.

Mayo 25. Organicé un Día de Limpieza Comunitaria en Inwood para ayudar a embellecer nuestro vecindario y reunir a los vecinos en servicio. Gracias a todos los que asistieron y colaboraron; juntos estamos construyendo una comunidad más limpia y fuerte. ¡Espero seguir organizando más días de limpieza en todo el distrito!

Por favor, llame a mi oficina de distrito para involucrarse como voluntario y para sugerir ubicaciones.
