Dear Neighbor,

Today is the day we have all heard about for months on end. Tonight, at 8 pm, the L Train will reduce its service on nights and weekends. I encourage everyone to read up on alternative plans and regularly use them for when service is reduced. Below you will find more information on the shutdown, information on the upcoming Assembly Hearing on rent laws, and an invitation to join tenants and advocates on their journey up to Albany to fight for tenants' rights.

See you around the district,

A handwritten signature in black ink, appearing to read "Harvey Epstein", with a long horizontal line extending to the right.

## **Hearing on May 2nd at 250 Broadway - Come and Be Counted**

The Assembly will hold public hearings on May 2 and May 9 to discuss rent regulation proposals and how best to protect tenants in New York. To find out more about the hearings and how you can testify [click here](#).

### **Join the Bus up to Albany!**

The Rent Laws expire on June 15, 2019. This is the best opportunity that tenants have had in decades to reform the Rent Laws and extend tenant protections to unregulated tenants. As you know, I have always championed the cause of tenants' rights. Many of my constituents have reached out to my office asking for help staying in their homes. I write to you now to make sure that you know about the campaign to strengthen the rent laws and expand tenant protections to unregulated tenants. On May 14th, tenants across the state will be getting on buses to go to Albany to make sure their voices are heard.

[If you want to join your neighbors in Albany, you can sign up here.](#)
