Our office on York Avenue is just a call, email or visit away! Thank you for taking the time to fill out and send back the enclosed survey.

Dear Neighbor,

Representing you in the New York State Assembly's 76th District is an honor and privilege. You can count on me to listen to your concerns, take the time to find solutions to problems in our community and achieve results every day.

As your representative at the State level we have achieved results with the passage of key legislation protecting tenants and affordable housing; protecting our environment and mitigating any ill-impacts of a waste transfer station in our community; strengthening our rights with the Equal Rights Amendment; promoting the health and well-being of every constituent by supporting legislation for universal healthcare; keeping guns out of the hands of domestic abusers; and improving transportation by holding the MTA accountable for our tax dollars.

We continue to make strides in our community with the help of neighbors like you! We have worked with neighborhood block and tenant associations, co-op and condo boards, Community Board 8, parent-teacher associations and so many more to accomplish a shared goal.

I want to hear from you! Please fill out and return the form to let us know which issues are of concern to you. As always, we are just a phone call, email or visit away!

Sincerely,

Rebecca A. Seawright

A federal census will be conducted in 2020, and it's important for everyone to be counted. The Census determines how billions of dollars in federal funding will be allocated in communities across the country – funding for housing, education, transportation and health care. Pledge to be counted so your community gets its fair share. Visit [2020census.gov](https://2020census.gov) for more information.
